ASSIGNMENT

I, Justin Smith, having an address at 21234 West Caravaggio Lane, Wittmann, AZ 85361 (hereinafter called "**Assignor**"), represent that We have invented improvements in a new and useful **SHOCK STIFFENER SYSTEM** for which I have executed an application for Letters Patent of the United States of America.

J & J Holdings and Investments LLC, a business organized under the laws of Arizona, having an address at 2301 N. 16th Ln., Phoenix, AZ 85027 (hereinafter called "**Assignee**"), desires to acquire the entire right, title and interest in the said patents and inventions, and to any other United States and foreign patents to be obtained therefor;

For valuable consideration, the receipt and legal sufficiency of which **Assignor** acknowledges, **Assignor** has sold and does hereby sell, assign, transfer and set over unto **Assignee**, its successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to the Patents, in and to any other applications pertaining to or based upon the inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

Assignor also agree that it will, at the request of **Assignee**, execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that **Assignee** may deem necessary or desirable to obtain letters patent on the inventions, to secure the grant of such letters patent and to protect and vest in **Assignee** the undivided interests in the right, title and interest in the inventions, applications and letters patents.

Assignor also authorizes and empowers **Assignee**, its successors and assigns to apply for and obtain, in its or their own names, letters patent for the inventions before competent International Authorities and in any and all countries foreign to the United States in which applications for letters patent can be so made or letters patent so obtained.
