## CONFIRMATORY ASSIGNMENT

WHEREAS **Paul G. Andrus** and **Gayle R. Campbell-Andrus**, whose post office address is 46 Wiltshire Place, Ancaster, Ontario Canada L9K 1M5, and **Michal Ryszard Bielejewski**, whose post office address is 4-170 Jackson St. W., Hamilton, Ontario, Canada L8P 1L9 (the "**Inventors**") have made certain inventions relating to a deployable fairing for a transport vehicle (the "**Invention**") for which United States Provisional Patent Application No. 62/933,770 (the "**Provisional Application**") was filed on November 11, 2019 and for which European Regional Patent Application No. EP20206807.8, United States Patent Application No. 17/094,276 and Canadian Patent Application No. 3,098,739, all claiming priority to the **Provisional Application**, were filed on November 10, 2020, all under the title:

### **DEPLOYABLE FAIRING FOR TRANSPORT VEHICLE**

(collectively, the "**Applications**");

AND WHEREAS **Michal Ryszard Bielejewski** was at all material times during the conception and reduction to practice of the **Invention** employed by **Truck Sail Inc.** ("**Truck Sail**"), having an address at 46 Wiltshire Place, Ancaster, Ontario Canada L9K 1M5, and his duties as an employee of **Truck Sail** included and continue to include inventing;

AND WHEREAS the **Invention** was made pursuant to certain arrangements among the **Inventors**, **Truck Sail** and **Andrus Research Inc.**, having an address at 46 Wiltshire Place, Ancaster, Ontario Canada L9K 1M5 ("**Andrus Research**") pursuant to which it was understood that **Andrus Research** would be the owner of the **Invention**;

AND WHEREAS the **Inventors** and **Truck Sail** consider it to be desirable that **Andrus Research** be the owner of all right, title and interest in, to and in respect of the **Invention**;

NOW THEREFORE, in consideration of the sum of one Canadian dollar (CAD\$1.00) payable by **Andrus Research** to each of the **Inventors** and **Truck Sail**, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged;

- (1) each of the **Inventors** confirms that the said **Andrus Research** is the owner of, and that effective as of **November 10, 2019**, it has sold, assigned and transferred, and does hereby sell,

assign and transfer, to the said **Andrus Research**, their whole right, title and interest for the United States of America, Canada and all other countries and all other places that are not countries, in, to and in respect of the **Invention** and in, to and in respect of all applications (including the **Applications**) and all Letters Patent that may be obtained therefor in the United States of America, Europe, Canada, and all other countries and all other places that are not countries, along with any and all divisional, renewal, substitute, continuation, reissue, re-examination, Patent Cooperation Treaty and Convention applications and any Letters Patent to issue therefrom, together with every priority right that is or may be predicated upon or arise from the **Invention**, the applications (including the **Applications**) and the Letters Patent.

- (2) to the extent that **Truck Sail** may have acquired or retained any right, title or interest in respect of the **Invention**, whether by operation of law or otherwise, whether from the named **Inventors** or otherwise, **Truck Sail** confirms that effective as of **November 10, 2019**, it has sold, assigned and transferred, and does hereby sell, assign and transfer to the said **Andrus Research** its whole right, title and interest for the United States of America, Europe, Canada and all other countries and all other places that are not countries, in, to and in respect of the **Invention** and in, to and in respect of all applications (including the **Applications**) and all Letters Patent that may be obtained therefor in the United States of America, Europe, Canada, and all other countries and all other places that are not countries, along with any and all divisional, renewal, substitute, continuation, reissue, re-examination, Patent Cooperation Treaty and Convention applications and any Letters Patent to issue therefrom, together with every priority right that is or may be predicated upon or arise from the **Invention**, the applications (including the **Applications**) and the Letters Patent.
- (3) each of the **Inventors** and **Truck Sail** hereby authorizes **Andrus Research** to file patent applications (including the **Applications**) in respect of the **Invention** in any countries and in any places that are not countries, and request that the United States Commissioner of Patents and Trademarks, the European Patent Office, the Canadian Commissioner of Patents and all other patent authorities issue the Letters Patent to **Andrus Research**, the assignee of the entire right, title and interest in and to the **Invention** for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which any Letters Patent in respect of the **Invention** may be granted.

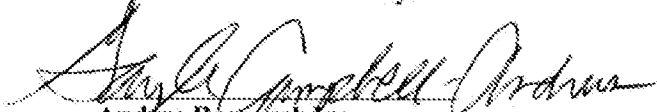

AND, each of the **Inventors** and **Truck Sail** hereby bind themselves, their legal representatives and assigns to do, upon the request of **Andrus Research**, but without additional consideration, all acts reasonably serving to assure that the **Invention**, the said patent applications

(including the **Applications**), and the said Letters Patent shall be held and enjoyed by **Andrus Research** as fully and entirely as the same could have been held and enjoyed by the **Inventors** and/or **Truck Sail** and their respective legal representatives and assigns; and particularly to execute and deliver to **Andrus Research** all lawful application documents including petitions, specifications and oaths, and all assignments, disclaimers and lawful affidavits in form and substance as may be requested by **Andrus Research**; to communicate to **Andrus Research** all facts known to the **Inventors**, and/or **Truck Sail** relating to said inventions and discoveries or the history thereof; and to furnish **Andrus Research** with any and all documents, photographs, models, samples, and other physical exhibits in the control of the **Inventors** and/or **Truck Sail** or in the facts, or the **Inventors'** conceptions, disclosures, and reduction to practice of the **Invention**.

This agreement shall be governed by the laws of the Province of Ontario, including the federal laws of Canada applicable therein, and the parties each hereby irrevocably attorn to the non-exclusive jurisdiction of the Courts of the Province of Ontario, including the Federal Court of Canada to the extent the same has jurisdiction in any matter relating to this agreement, provided that the Courts of the United States shall retain their jurisdiction in respect of any United States patent or patent application, and the national courts of the member states of the European Patent Convention shall retain their respective jurisdiction in respect of any national validation of any European patent.

This Agreement may be executed in counterparts, which shall together form one and the same Agreement.
