for Sold Patents and Patent Applications**

**I. Patents and Patent Applications**

**Declaration of Assignment and Consent to Transfer**

The undersigned proprietor

**Fluid Logistics IP UG (haftungsbeschränkt)**, with business address at Georg-Büchner-Str. 6, 64380 Roßdorf, Germany, registered with the commercial register of the lower court of Charlottenburg under No. HRB 185633 B

-- Assignor --

of the patents and patent applications listed in Annex 1 to this Transfer Agreement/Registration Document ("**Annex 1**")

does herewith sell, assign, transfer and set over said patents and patent applications listed in **Annex 1** with all rights and obligations to

**FL Technology GmbH**, with business address at Elisabethenstrasse 20, 64283 Darmstadt, Germany, a German limited liability company incorporated under the laws of Germany and registered under registration number HRB 113635 at the Frankfurt am Main Commercial Register

-- Assignee --

and also assigns, the entire right, title and interest in, to and under the said patents and patent applications listed in **Annex 1**, and all applications claiming priority thereto and all divisions, renewals and continuations thereof, and all which may be granted thereon and all reissues and extensions thereof;

and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed for inventions relating to the said patents and patent applications listed in **Annex 1** in any country or countries, together with the right to file such applications and the right to claim for the same the priority rights derived from said patents and patent applications listed in **Annex 1**; and

all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for inventions relating to said patents and patent applications listed in **Annex 1** and all extensions, renewals and reissues thereof;

and all right to sue for infringement including past infringement;

and we hereby authorize and request the Commissioner for Patents and any Official of any country, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications, to issue the same to the said assignee, in accordance with the terms of this instrument;

and we hereby declare that we have full right to convey the entire interest herein assigned, and that we have not executed any agreement in conflict herewith;

and we hereby further agree that we will use reasonable commercial efforts to aid the said Assignee, to obtain and enforce proper protection for said patents and patent applications in all countries;

and, at the same time, the said Assignee agrees to the transfer of the said patents and patent applications listed in Annex 1 to the Assignee.

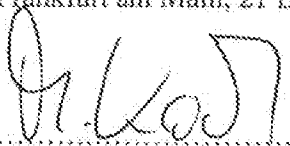

Frankfurt am Main, 21 December 2018

  
.....
