ASSIGNMENT

WHEREAS I, **Ashley Maxwell Whittington**, of **337 Ortega Street, San Francisco, CA 94122**; is hereinafter called the "Assignor."

WHEREAS, **Separator Technology Solutions US Inc**, having its principal place of business at **2591 Nicholson Street, San Leandro, CA 94577** (hereinafter called the "Assignee") is desirous of acquiring the entire rights, title and interests of said Assignor in and to U.S. Provisional Patent Application titled **CENTRIFUGE, AND RELATED SYSTEMS AND METHODS** and having Serial No. **62/970,902** and filing date of **February 6, 2020**, including all inventions disclosed therein, and in, to and under any and all Letters Patent to be obtained therefore.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the Assignee, its successors and assigns, its entire rights, title and interests in and to said patent and application (including all inventions disclosed therein) and all Letters Patent, both foreign and domestic, including all nonprovisional, continuation, divisional, reissue, and reexamination applications, that may or shall issue, including all rights under the International Convention, and we do hereby authorize and request the Commissioner for Patents to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

Assignor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name, if desired, in any and all foreign countries, and additionally to claim the filing date of said United States Application and/or otherwise take advantage of the provisions of the International Convention.

Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will, at any time upon request, without further or additional consideration, but at the expense of said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, nonprovisional, divisional, continuation, reissued, or extended Letters Patent of the United States, or of any and all foreign countries on said invention(s), and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, I have hereunto signed my name on the date set forth below.

Ashley Whittington
