ASSIGNMENT / DECLARATION

WHEREAS, **DE HAAS, THOMAS**, whose full post office address is **158 HAWKSTONE DRIVE NW, CALGARY, ALBERTA CANADA, T3G 3N4**; **DE HAAS, STUART**, whose full post office address is **158 HAWKSTONE DRIVE NW, CALGARY, ALBERTA CANADA, T3G 3N4**; and **SEREDIK, OWEN**, whose full post office address is **158 HAWKSTONE DRIVE NW, CALGARY, ALBERTA CANADA, T3G 3N4** (hereinafter "the Assignors") are the inventors of an invention (hereinafter "the Invention") disclosed in International Patent Application no. **PCT/CA2019/051114** entitled **HOLDER FOR A MICROFLUIDIC CHIP** filed on **August 16, 2019** and in United States Provisional Patent Application no. **62/721,719** entitled **HOLDER FOR A MICROFLUIDIC CHIP** filed on **August 23, 2018** (hereinafter "the Applications");

AND WHEREAS, **INTERFACE FLUIDICS LTD.**, whose full post office address is **158 HAWKSTONE DRIVE NW, CALGARY, ALBERTA CANADA, T3G 3N4** (hereinafter "the Assignee"), has acquired from the Assignors, their entire right, title and interest in and to the Invention, in all countries of the world, including their rights to the Applications and all applications and patents related to the Applications (i.e. including any and all international, national and regional phase applications based on the Applications; including any and all counterpart applications in all countries; including any and all divisional applications, continuation applications and continuation-in-part applications based on the Applications; including any and all Letters Patent that may be obtained for the Applications; including any and all reissues, extensions, renewals and reexaminations of the Applications and any applications and patents based on the Applications; including the right to claim priority to the Applications, and to all applications and patents related to the Applications; including the benefit of any right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it; including the benefit of any right of priority provided by any convention or treaty under domestic or foreign law; and including the right to invoke and claim any right of priority without further written or oral authorization from the Assignors);

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, the Assignors hereby confirm that as of August 16, 2019 they have assigned, and do hereby sell and assign, transfer and set over to the Assignee, their entire right, title and interest in and to the Invention, in all countries of the world, including their rights to the Applications, and all applications and patents related to the Applications, to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by them, had this Assignment not been made.

The Assignors hereby confirm that the Applications were made or were authorized to be made by themselves and that they believe themselves to be the original inventors or joint inventors of a claimed invention in the Applications.

The Assignors shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain the Applications, and all applications and patents related to the applications, in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

The Assignors and the Assignee authorize and empower ABM Intellectual Property Inc., whose complete address is 261 Kingswood Road, Toronto, Ontario, M4E 3N6, Canada, to insert on this Assignment any further identification, including inserting the serial number and filing date of the Applications when available, to prepare any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country and to correct any clerical error in this assignment.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue any Letters Patent for the Applications, and all applications related to the Applications, to the Assignee, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.

The Assignors hereby acknowledge that any willful false statement made in this assignment/declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

For the purpose of all legal proceedings this Assignment will be deemed to have been performed in the Province of Alberta and will be governed by and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein.

The Parties confirm their express wish that this Assignment be drawn up in the English language. *Les parties confirment leur volonté expresse que cette cession soit rédigée en langue anglaise.*
