INTELLECTUAL PROPERTY ASSIGNMENT AND AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AND AGREEMENT (this “**Agreement**”) is made effective as of January 1, 2019 (the “**Effective Date**”) by and between **Amkor Technology, Inc.**, a corporation organized and existing under the laws of the State of Delaware, U.S.A., having a place of business at 2045 East Innovation Circle, Tempe, AZ, 85284 (“**Assignor**”), and **Amkor Technology Singapore Holding Pte. Ltd.**, a private limited company organized and existing under the laws of Singapore, having a place of business at 491B River Valley Road, Valley Point #15-02/04, Singapore, 248373 (“**Assignee**”). Assignor and Assignee are each referred to as a “**Party**” and together as the “**Parties**”.

WHEREAS, Assignor desires to assign to Assignee, and Assignee desires to accept, all of Assignor’s right, title, and interest to the Assigned IP Rights (as defined below) on the terms and subject to the conditions set forth herein.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt and sufficiency of which are acknowledged by both Parties, the Parties agree as follows:

1. Assignor hereby irrevocably sells, transfers, and assigns unto Assignee effective as of the Effective Date nunc pro tunc, and Assignee hereby assumes and accepts, all of Assignor’s worldwide rights, title, and interest in and to: (a)(i) any and all inventions, know-how, trade secrets, software, works of authorship, and copyrights invented, created, reduced to practice, and/or authored (as the case may be) on or after the Effective Date, and/or (ii) each invention invented, created, and/or reduced to practice prior to the Effective Date for which the first patent application for such invention is or will be filed on or after the Effective Date; (b) any and all registrations and applications for the foregoing, including without limitation, all provisional, continuation, continuation-in-part, continued prosecution, substitute, and divisional applications; all patents of addition of the foregoing; all continued examinations, re-examinations, inter partes review, and post-grant review certificates of the foregoing; all amendments, reissues, and extensions of the foregoing; all divisional, validations, supplementary perfection certifications, and extensions of the foregoing; all patents or patent applications that claim priority to or from the foregoing; and all inventions claimed by any of the foregoing; (c) any and all rights to claim priority to the foregoing under any conventions or treaties, including without limitation, any of the International Convention for the Protection of Industrial Property (“Paris Convention”), the Patent Cooperation Treaty (“PCT”), and applicable bilateral or multilateral treaties; (d) any and all rights to request, apply for, file, and register the foregoing; (e) any and all patents or copyrights issuing from any of the foregoing; (f) any and all defenses relating to or arising from any of the foregoing and all rights of action relating to or arising from the foregoing, including without limitation, all claims for damages by reason of present, past, and future infringement or violation of the foregoing and all present, past, and future rights to sue and collect damages or seek injunctive relief for any such infringement or violation of the foregoing; and (g) any and all income, royalties, and any other payments now and hereafter due and/or payable to Assignor in respect of the foregoing, in each case of (a) – (g), to be held and enjoyed by Assignee for its own use and benefit and for its successors and assigns as the same would have been held as fully and entirely by Assignor had this assignment not been made (collectively, the “**Assigned IP Rights**”).

2. Assignor hereby authorizes and requests authorities including, without limitation, an official of the United States Patent and Trademark Office or Copyright Office, an official of any non-U.S. governmental patent or copyright office, and an official of any intergovernmental organization, whose duty is to issue registrations, documents, or other evidence or forms of intellectual property and/or industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives, and assigns.

3. Assignor shall promptly execute and deliver such documents, do and perform all acts and things, and provide other assistance as Assignee, its successors, legal representatives, and/or assigns may reasonably request, including without limitation, prompt production of pertinent facts and documents in its possession or under its control, giving of testimony, and/or execution of petitions, oaths, specifications, declarations, or other papers to: (a) give effect to, document, record, perfect, and enforce the Assigned IP Rights; (b) perfect all right, title, and interest herein conveyed; (c) prosecute any applications herein conveyed; (d) file and prosecute applications, including without limitation, substitute, divisional, continuing, reissue, or additional applications covering any inventions or works of authorship herein conveyed; (e) support interference or other priority proceedings involving any of the Assigned IP Rights; and (f) support legal proceedings involving any of the Assigned Patent Rights, including without limitation, opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions, and court actions, provided however, that the expense incurred by Assignor in providing such cooperation shall be paid for by Assignee.

4. The terms and covenants of this Agreement shall inure to the benefit of Assignee, its successors and assigns (including by operation of law) and shall be binding upon Assignor and its respective heirs, legal representatives, and assigns. This Agreement and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, U.S.A., without regard to the conflicts of laws principles thereof. This Agreement may be executed in the original or by facsimile, email, or other electronic transmission in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties have caused this Intellectual Property Assignment and Agreement to be executed by their respective duly authorized representatives effective as of the Effective Date:
