ASSIGNMENT

WHEREAS, we, Stephen Jennings of 552 Fisher Circle, Folsom, in the County of Sacramento, and State of California, Peter Stuttaford, of 12075 159th Court North, Jupiter, in the County of Palm Beach, and State of Florida, and Stephen W. Jorgensen of 1694 SW College Street, Stuart, in the County of Martin, and State of Florida, have invented certain new and useful improvements in TRANSITION DUCT COOLING FEED TUBES for which we are about to make application for Letters Patent of the United States; and

WHEREAS, POWER SYSTEMS MFG., LLC, a corporation duly organized under the laws of the State of Florida, and having its principal place of business at 1440 West Indiantown Road, Jupiter, County of Palm Beach, and State of Florida, is desirous of acquiring an interest in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, Stephen Jennings, Peter Stuttaford and Stephen W. Jorgensen, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said POWER SYSTEMS MFG., LLC the full and exclusive right, title and interest, throughout the world, in, to and under said invention as fully set forth and described in the specification prepared and executed by us on even date herewith preparatory to obtaining Letters Patent of the United States therefor; in, to and under said application; in, to and under any and all refilings, divisions and continuations of said application; in, to and under any and all Letters Patent of the United States of America which may issue from said application, refilings, divisions and continuations; in, to and under

any and all reissues of said Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said POWER SYSTEMS MFG., LLC for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents to issue the said Letters Patent in accordance with this assignment.
