ASSIGNMENT

WHEREAS, we, Richard B. Peterson, of Corvallis, Oregon; James R. Curtis, of Portland, Oregon; Hailei Wang, of Corvallis, Oregon; Robbie Ingram-Goble, of Corvallis, Oregon; Luke W. Fisher, of Corvallis, Oregon; and Anna E. Garrison, of Philomath, Oregon, have invented a certain invention as described in U.S. Patent Application No. 12/795,382, filed on June 7, 2010, entitled "Fluid Purification System;"

WHEREAS, State of Oregon Acting By and Through the State Board of Higher Education on Behalf of Oregon State University, a corporation organized under the laws of the State of Oregon, having a place of business at 312 Kerr Administration Building, Corvallis, Oregon, 97331, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Richard B. Peterson, Hailei Wang, Robbie Ingram-Goble, Luke W. Fisher, and Anna E. Garrison hereby sell, assign and transfer to State of Oregon Acting By and Through the State Board of Higher Education on Behalf of Oregon State University, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by State of Oregon Acting By and Through the State Board of Higher Education on Behalf of Oregon State University, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to State of Oregon Acting By and Through the State Board of Higher Education on Behalf of Oregon State University, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid State of Oregon Acting By and Through the State Board of Higher

Education on Behalf of Oregon State University, its successors and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We confirm that at the time the invention was made, we were under an obligation to assign the invention to State of Oregon Acting By and Through the State Board of Higher Education on Behalf of Oregon State University.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
