PATENT ASSIGNMENT

WHEREAS, we, Lauren Maat, an individual and citizen of United States and residing in Holland, Michigan; Timothy Stoepker, an individual and citizen of United States and residing in Grand Rapids, Michigan; and Sarah Gesink, an individual and citizen of United States and residing in Byron Center, Michigan (hereinafter ASSIGNORS), have invented certain new and useful improvements relating to a **STOOL**, as disclosed and claimed in U.S. Patent Application No. 29/770,680, filed on February 15, 2021, (to be filled in by attorney after patent application is filed);

WHEREAS, Audwell LLC, a Michigan limited liability company having a principal place of business at 2300 Sunset Bluff Dr., Holland, Michigan 49424, United States (hereafter ASSIGNEE), desires to acquire a one hundred (100%) percent interest in and to said invention(s) and the patent application(s);

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, the undersigned by these presents do sell, assign and transfer unto ASSIGNEE, its successors, assigns and personal representatives, all of their right, title and interest in the United States of America and all foreign countries in and to their interest in said inventions as described in the aforementioned patent application and to any improvements on said inventions heretofore or hereinafter made, and to any divisional or continuing applications emanating therefrom, and any foreign counterparts of said applications, and all patents, United States and foreign, granted upon any such applications or for the inventions described therein, and any reissues or extensions of said patents;

We hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents on said application(s) reflecting the ownership interest as the one hundred (100%) percent assignee thereof;

ASSIGNORS hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment;

ASSIGNORS further covenant that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said inventions and said Letters Patents and legal equivalents as may be known and accessible to ASSIGNORS and will testify as to the same in any interference, derivation, litigation or other proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or

affidavits required to apply for, obtain, maintain, issue and enforce said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof;

For said consideration we hereby covenant and agree that we are the owner of a 100% interest in the patent application identified above and have the right to assign the same, and agree that we will communicate to ASSIGNEE or its representatives, any facts known to us regarding said invention or inventions and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which in the judgment of ASSIGNORS is necessary to vest in it and protect the legal title sought to be assigned.

This assignment may be executed in multiple counterparts which taken together shall constitute one and the same instrument.
