Whereas, Assignee desires to acquire all right, title and interest, together with all rights of priority, in and to the Patents, as well as the entirety of the business associated with the Patents.

Whereas, Assignor hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and/or appropriately empowered officials of foreign countries to record and register this Patent Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Patents to Assignee, or any assignee or successor thereto. Assignor will, at any time, upon the request and without further consideration, deliver any testimony in any legal proceedings.

Now Therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby conveys, transfers, and assigns to Assignee all right, title and interest, together with all rights of priority, in and to the Patents, along with the entirety of the business associated with the Patents.

In Witness Whereof, the Assignor has caused this instrument to be duly executed as of the day and year first written above.
