PATENT ASSIGNMENT

WHEREAS, Amanda Lundgren, residing at 526 Olivia Court, Hudson, Wisconsin 54016, made certain new and useful inventions and improvements described in the patents and patent applications set forth in Exhibit A attached hereto (collectively, the "Patents");

AND WHEREAS, Verdant Technologies, LLC, a corporation organized and existing under and by virtue of the laws of the State of Minnesota, and having an office and place of business at 4567 American Boulevard West, Bloomington, Minnesota 55437 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to the Patents;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do hereby sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions, improvements and subject matter disclosed or described in the Patents, and in and to the Patents, all divisions, continuations, continuations-in-part, renewals or other pre-grant forms of any of the foregoing, all Letters Patent which may be granted from any of the foregoing, and all reissues, extensions or other post-grant forms of any of the foregoing, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on any of the foregoing, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted from any of the foregoing and all claims for damages by reason of past, present or future infringement, misappropriation or other unauthorized use or violation of any of the foregoing, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors or assigns and any other rights, privileges, claims and causes of action relating to or pertaining to any of the foregoing; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, I do hereby agree that my executors and I and my legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable to more effectually secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said Patents, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 8th day of February, 2021.

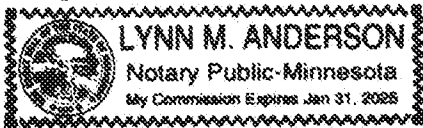

Amanda Ferguson

STATE OF MINNESOTA)

COUNTY OF RAMSEY)

On this 8th day of February, 2021 before me personally appeared Amanda Ferguson to me known and known to me to be the person described in and who executed the foregoing instrument, and he/she duly acknowledged to me that he/she executed the same for the uses and purposes therein set forth.
