Parties

- (1) 'Calderys Nordic AB' of 'Bruksgatan 37, 263 39 Höganäs, Sweden';
- (2) 'Thomas Höjer' of 'Hyltevägen 20, 43637 Askim, Sweden';
- (3) 'ImerTech', whose registered office is at '43, quai de Grenelle, 75015 Paris, France' (the "Assignee");

Background

- (A) 'Thomas Höjer' is an employee of 'Calderys Nordic AB'.
- (B) The Assignors (as defined below) have agreed to assign their Intellectual Property Rights in, and the Know-how relating to, the Invention to the Assignee on the terms set out below.

Definitions

In this deed unless the context otherwise requires:

"Assignors"	means 'Calderys Nordic AB' and 'Thomas Höjer';
"Intellectual Property Rights"	means all intellectual and industrial property rights of any nature whatsoever in or arising from the Invention, the Know-how and the Material, including all of the following: patents, copyrights, database rights, design right, all rights in or arising out of discoveries, inventions, improvements, know-how, trade marks, designs and confidential information; applications for and registrations of any of these, and the right to apply for any form of protection for any of these. In each case it includes the aforesaid rights and interests in every part of the world for their full terms, including any renewals and extensions, and the right to receive income from them and any compensation in respect of their infringement;
"Invention"	means the invention described in the Patent Application;
"Know-how"	means know-how, research data, trial results, designs, knowledge and all other information, documents and material recorded in whatever form or medium relating to the Invention or the

Assignee's business and including any information disclosed in a patent application;

"Material"

means all documentation, analysis, reports, drawings, design models, creative briefs, programs, prototypes, electronic representations (whether produced by computer or otherwise) and other material relating to the Invention;

"Patent Application"

means the patent application listed in the schedule to this deed.

Agreed terms

1. Assignment

1.1. In consideration of the payment of £1 by the Assignee to 'Calderys Nordic AB' (receipt of which 'Calderys Nordic AB' acknowledges), 'Calderys Nordic AB' assigns to the Assignee absolutely, with full title guarantee, all the Intellectual Property Rights belonging to 'Calderys Nordic AB', including:

1.1.1. all rights of action as may be necessary for the recovery of damages or other remedies in respect of all infringements of those Intellectual Property Rights, whether committed before, on or after the date of this deed;

1.1.2. the absolute entitlement to any patents granted pursuant to the Patent Application (and any patent application claiming priority from the Patent Application) for the full term of such patents; and

1.1.3. the right to apply for, prosecute and obtain patent or similar protection in the UK and all other countries of the world for the Invention including the right to claim priority from the Patent Application.

1.2. In consideration of the payment of £1 by the Assignee to 'Thomas Höjer' (receipt of which Thomas Höjer acknowledges), 'Thomas Höjer' assigns to the Assignee absolutely, with full title guarantee, all the Intellectual Property Rights belonging to Thomas Höjer, including:

1.2.1. all rights of action as may be necessary for the recovery of damages or other remedies in respect of all infringements of those Intellectual Property Rights, whether committed before, on or after the date of this deed;

1.2.2. the absolute entitlement to any patents granted pursuant to any of the Patent Application (and any patent application claiming priority from the Patent Application) for the full term of such patents; and

SR

- 1.2.3. the right to apply for, prosecute and obtain patent or similar protection in the UK and all other countries of the world for the Invention, including the right to claim priority from the Patent Application.

2. Confidentiality

The Assignors shall keep secret and confidential the Know-how and all confidential information acquired from the Assignee and its representatives, and the Assignors shall not use nor disclose the same save with the prior written consent of the Assignee.

3. Further assurance

- 3.1. At the Assignee's request, the Assignors shall do anything to perfect, improve, register or protect the Assignee's title to, and interest in, the Intellectual Property Rights. This includes executing any further assignments or other documents and ensuring that any relevant third party does likewise.
- 3.2. The Assignee is not under any obligation under this deed to protect, enforce or exploit the Intellectual Property Rights.
- 3.3. The Assignors shall not do anything that prejudices or adversely affects the subsistence or value of the Intellectual Property Rights, or which is reasonably likely to do so.

4. Governing law and jurisdiction

This deed is subject to English law and the courts of England and Wales have exclusive jurisdiction in respect of any dispute arising out of it or in connection with it.

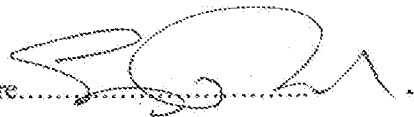

IN WITNESS of the above the Assignors and Assignee have executed and delivered this deed.
