WORLDWIDE CONFIRMATION ASSIGNMENT

WHEREAS DBM GROUP INC., hereinafter referred to as the **First Assignor**, a corporation organized under the Laws of Canada and identified under Quebec enterprise number (NEQ) **1170399522**, having an office and place of business at **1620 boul. Dagenais Ouest, Laval, Québec, Canada, H7L 5C7**, was created on 1 October 2014 from a merger between two previous corporations organized under the Laws of Canada, one of them being the corporation identified under Quebec enterprise number (NEQ) **1162344825** that was formerly referred to as **DBM REFLEX ENTERPRISES INC.** up to 27 May 2014 when its name was changed to **DBM GROUP INC.**, as evidenced by the Certificate of Amendment attached hereto as **Schedule "A"**, which includes an English translation thereof;

WHEREAS DBM GROUP INC. (NEQ 1162344825), as it existed before the merger, was until 1st July 2014 the sole owner of the patent documents included in the list of patent documents attached hereto as Schedule "B", hereafter referred to as the **Schedule "B" Patent Documents**, which ownership originated among other things from assignments executed by the corresponding inventor(s) in favor of **DBM REFLEX ENTERPRISES INC.**, thus in favor of **DBM GROUP INC.** (NEQ 1162344825) as it was named prior to 27 May 2014;

AND THEREFORE, following an agreement dated 1st July 2014 between the **First Assignor** and a corporation created on 3 June 2014 named **DBM REFLEX ENTERPRISES INC.**, hereinafter referred to as the **First Assignee**, this corporation being organized under the Laws of Canada and identified under Quebec enterprise number (NEQ) **1170124409**, having an office and place of business at **1620 boul. Dagenais Ouest, Laval, Québec, Canada, H7L 5C7**, the First Assignor hereby confirms that it has, **effective 1st July 2014**, sold, assigned, transferred and set over to the First Assignee and to any First Assignee's successors, assigns, nominees or other legal representatives, the entire right, title, interest, property and benefit for all countries and jurisdictions of the world in and to any and all patent documents included in the list of patent documents attached hereto as Schedule "C", hereafter referred to as the **Schedule "C" Patents Documents**, as well as in and to any and all corresponding applications, whether in the form of national/regional applications, national/regional phase entries, national validations, divisions, continuations, re-examinations,

re-issues and others, any and all Letters Patents and/or Registrations that may issue, be granted or result therefrom, and any and all rights of priority associated with any and all the Schedule "C" Patents Documents, as well as any other related applications under international conventions, treaties or otherwise, the same to be held and enjoyed by the First Assignee as fully and exclusively as the same would have been held and enjoyed by the First Assignor had this sale, assignment, transfer and setting over not been made;

AND THEREFORE, following an agreement dated 1st July 2014 between the **First Assignor** and a corporation created on 3 June 2014 named **DBM OPTIX ENTERPRISES INC.**, hereinafter referred to as the **Second Assignee**, this corporation being organized under the Laws of Canada and identified under Quebec enterprise number (NEQ) **1170124169**, having an office and place of business at **1620 boul. Dagenais Ouest, Laval, Québec, Canada, H7L 5C7**, the First Assignor hereby confirms that it has, **effective 1st July 2014**, sold, assigned, transferred and set over to the Second Assignee and to any Second Assignee's successors, assigns, nominees or other legal representatives, the entire right, title, interest, property and benefit for all countries and jurisdictions of the world in and to any and all patent documents included in the list of patent documents attached hereto as Schedule "D", hereafter referred to as the **Schedule "D" Patents Documents**, as well as in and to any and all corresponding applications, whether in the form of national/regional applications, national/regional phase entries, national validations, divisions, continuations, re-examinations, re-issues and others, any and all Letters Patents and/or Registrations that may issue, be granted or result therefrom, and any and all rights of priority associated with any and all the Schedule "D" Patents Documents, as well as any other related applications under international conventions, treaties or otherwise, the same to be held and enjoyed by the Second Assignee as fully and exclusively as the same would have been held and enjoyed by the First Assignor had this sale, assignment, transfer and setting over not been made;

AND THEREFORE, following an agreement dated 26 December 2016 between **DBM OPTIX ENTERPRISES INC.**, hereinafter referred to as the **Second Assignor** in the context of this subsequent agreement, and a corporation created on 29 November 2016 named **DBM OPTIX EQUIPMENTS INC.**, hereinafter referred to as the **Third Assignee**, this corporation being organized under the Laws of Canada and identified under Quebec enterprise number

(NEQ) **1172340326**, having an office and place of business at **1620 boul. Dagenais Ouest, Laval, Québec, Canada, H7L 5C7**, the Second Assignor hereby confirms that it has, **effective 26 December 2016**, sold, assigned, transferred and set over to the Third Assignee and to any Third Assignee's successors, assigns, nominees or other legal representatives, the entire right, title, interest, property and benefit for all countries and jurisdictions of the world in and to any and all patent documents included in the **Schedule "D" Patents Documents**, as well as in and to any and all corresponding applications, whether in the form of national/regional applications, national/regional phase entries, national validations, divisions, continuations, re-examinations, re-issues and others, any and all Letters Patents and/or Registrations that may issue, be granted or result therefrom, and any and all rights of priority associated with any and all the Schedule "D" Patents Documents, as well as any other related applications under international conventions, treaties or otherwise, the same to be held and enjoyed by the Third Assignee as fully and exclusively as the same would have been held and enjoyed by the Second Assignor had this sale, assignment, transfer and setting over not been made;

AND THEREFORE, in consideration of the sum of ten (10) dollars and other good and valuable consideration from the First Assignee to the First Assignor, the receipt and sufficiency of which are hereby acknowledged, the **First Assignor** hereby sells, assigns, transfers and sets over to the **First Assignee** and to any First Assignee's successors, **effective 1st July 2014**, the entire right, title, interest, property and benefit for all countries and jurisdictions of the world in and to any and all patent documents in the list of patent documents attached hereto as Schedule "E", hereafter referred to as the **Schedule "E" Patents Documents**, as well as in and to any and all corresponding applications, whether in the form of national/regional applications, national/regional phase entries, national validations, divisions, continuations, re-examinations, re-issues and others, any and all Letters Patents and/or Registrations that may issue, be granted or result therefrom, and any and all rights of priority associated with any and all the Schedule "E" Patents Documents, as well as any other related applications under international conventions, treaties or otherwise, the same to be held and enjoyed by the First Assignee as fully and exclusively as the same would have been held and enjoyed by the First Assignor had this sale, assignment, transfer and setting over not been made, **the present document being executed *nunc pro tunc* by the parties as of 1st July 2014 in the context of this paragraph;**

AND THEREFORE, in consideration of the sum of ten (10) dollars and other good and valuable consideration from the Third Assignee to the First Assignor, the receipt and sufficiency of which are hereby acknowledged, the **First Assignor** hereby sells, assigns, transfers and sets over to the **Third Assignee** and to any Third Assignee's successors, **effective 26 December 2016**, the entire right, title, interest, property and benefit for all countries and jurisdictions of the world in and to any and all patent documents in the list of patent documents attached hereto as Schedule "F", hereafter referred to as the **Schedule "F" Patents Documents**, as well as in and to any and all corresponding applications, whether in the form of national/regional applications, national/regional phase entries, national validations, divisions, continuations, re-examinations, re-issues and others, any and all Letters Patents and/or Registrations that may issue, be granted or result therefrom, and any and all rights of priority associated with any and all the Schedule "F" Patents Documents, as well as any other related applications under international conventions, treaties or otherwise, the same to be held and enjoyed by the Third Assignee as fully and exclusively as the same would have been held and enjoyed by the First Assignor had this sale, assignment, transfer and setting over not been made, **the present document being executed nunc pro tunc by the parties as of 26 December 2016 in the context of this paragraph;**

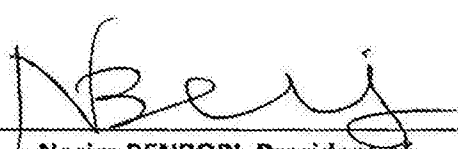

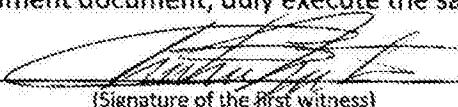

AND EACH OF THE ASSIGNORS, on its behalf and on behalf of any heirs, executors and administrators, does hereby covenant and agree to do all further lawful acts and things and to execute and deliver without further consideration such further lawful assignments, and other documents as may reasonably be required by any of the Assignees, or by any successors, assigns, nominees, or other legal representatives, so as to obtain each Letters Patent and/or Registration and vest or secure the same in the name of the corresponding Assignee, or in the name of any corresponding Assignee's successors, assigns, nominees or other legal representatives;

AND EACH OF THE ASSIGNORS, on its behalf and on behalf of any heirs, executors, and administrators, hereby authorizes any officials whose duty it is to grant patents or registrations, to grant each Letters Patent and/or Registration to the corresponding Assignee or to any corresponding Assignee's successors, assigns, nominees or other legal representatives;

AND EACH OF THE ASSIGNORS, on its behalf and on behalf of any heirs, executors, and administrators, hereby authorizes the Patent Agents managing the recordation of the present

assignment document to insert, after the signatures, any missing information in a remaining blank space (if any) and also, if necessary, to correct any minor clerical errors if such correction(s) is (are) appropriate and has (have) no impact or consequence on the object of the assignment document as executed;

IN WITNESS WHEREOF, a duly authorized representative of each of the Assignors has executed the present assignment document, before two witnesses, on the date and place indicated. The present assignment document can be signed on more than one copy, each of them being an original but together, these copies constitute a single and same document.
