ASSIGNMENT

Whereas, Dr Syed Khusro Saleem of 37 Church St, Fitzroy North, VIC, Australia 3068 (individual hereinafter "Assignor") invented certain new and useful subject matter related to a method and apparatus for material identification (hereinafter referred to as the "Subject Matter") for which patent application AU2016902059 was filed (hereinafter the "Application");

AND Whereas, Southern Innovation International Pty Ltd, an entity organized under the laws of Australia, with its place of business at Level 1 729 Nicholson Street, Carlton North, Victoria, Australia 3054 (hereinafter the "Assignee"), desires to acquire the entire right, title, and interest in and to the Application and the Subject Matter:

For good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby assigns to Assignee, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in the Application and the Subject Matter, including all applications claiming common priority and all rights of priority under International Conventions and Assignor hereby authorizes and requests any Official of any country or countries whose duty it is to issue patents on applications as aforesaid, to issue all related patents to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor assigns to Assignee, its successors, legal representatives all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of assignment to Assignee, or may accrue hereafter, including, but not limited to, the right to sue for, collect, and retain damages for past infringements of said patent before or after issuance.
