ASSIGNMENT

For valuable consideration, I/we, ROBERT L. MYERS, ALEXEI TIKHONSKI, and JAMES P. NOVAK, hereby assign to LITECH LABORATORIES, LLC, a Texas limited liability company, having a place of business at 10252 Chestnut Ridge Road, Austin, Texas 78726, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements which are subject of the following applications:

U.S. Provisional Application Serial No. 62/882,817 filed on August 5, 2019;

U.S. Utility Application Serial No. 16/985,025 filed on August 4, 2020;

International Application Serial No. US20/44898 filed on August 4, 2020; and

Taiwan Application Serial No. 109126373 filed on August 4, 2020,

this assignment including said applications, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I hereby confirm my authorization for the Assignee, to apply in all countries in my name or in its own name for patents, utility models, design registrations, and like rights of exclusion, and for inventors' certificates for said inventions and improvements; and I agree for me and my respective heirs, legal representatives, and assigns, without further compensation, to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements, and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
