ASSIGNMENT

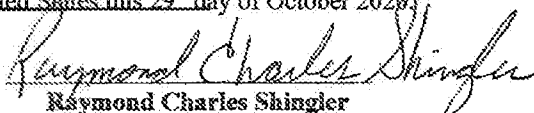

Whereas, I, **Raymond Charles Shingler**, residing in **Valparaiso, Indiana, USA**, have invented one or more new and useful inventions and have authorized to be filed therefor United States Provisional Patent Application Serial No. 62/383,813, filed on September 6, 2016, entitled "**Social Media Systems and Methods**"; United States Patent Application No. 15/696,803, filed on September 6, 2017, entitled "**Social Media Systems and Methods and Mobile Devices Therefor**"; United States Patent Application Serial No. 16/989,348, filed on August 10, 2020, entitled "**Social Media Systems and Methods and Mobile Devices Therefor**"; and United States Patent Application No. 16/989,713, filed on August 10, 2020, entitled "**Social Media Systems and Methods and Mobile Devices Therefor**" (hereinafter, "Application(s)");

And whereas, Flying Eye Reality, LLC (formerly Flying Eye Reality, Inc.), a business entity of Indiana, having a place of business at 9660 Industrial Drive, St. John, Indiana 46373 United States of America (hereinafter called Assignee), desires to acquire the entire right, title and interest in the Application(s) and all inventions disclosed therein, and to any United States and foreign patents to be obtained therefor, and to any United States, international, and foreign patent applications to be filed thereon;

Now therefore, for good and valuable consideration, receipt whereof is hereby acknowledged, I, the above-named inventor hereby sell, assign, transfer, and set over to Assignee, its successors, legal representatives, and assigns, and confirm any previous assignments made by me for, the entire right, title and interest in, to, and under the Application(s) and inventions therein described for the United States and foreign countries, including all rights of priority resulting from the filing of the Application(s), and all applications for patents, utility models, designs, and other forms of industrial property protection in any country or international body claiming priority to the Application(s) together with the right to file such applications, and all forms of industrial property protection, including without limitation, patents, utility models, inventor's certificates, and designs which may be granted thereon together with any extensions, renewals, reexaminations, and reissues thereof; and I hereby authorize and request the Commissioner for Patents of the United States Patent and Trademark Office and the authorized official in each respective foreign and international patent office to issue any Letters Patent or other evidence or forms of industrial protection granted upon the inventions set forth in the Application(s) to Assignee, its successors, legal representatives, and assigns; and I will execute all papers necessary in connection with the United States, international, and foreign applications when called upon to do so by Assignee, its successors, legal representatives, or assigns.

I, the above-named, hereby covenant and agree that I have the full right to convey the entire interest herein assigned and that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

Executed at Valparaiso, Indiana, ~~United States~~ this 29th day of October 2020
