CONFIRMATION OF ASSIGNMENT

WHEREAS Todd C. Zion and Thomas M. Lancaster, hereinafter collectively referred to as the Assignors, have made one or more new and useful inventions for which Assignors, individually or collectively, have made or will make one or more applications for Letters Patent of the United States and/or other jurisdictions (hereinafter the "Applications");

WHEREAS, the Assignors assigned their rights in the Applications to Akston Biosciences Corporation, hereinafter referred to as Assignee, a corporation of the State of Delaware, having a principal place of business at 100 Cummings Center, Beverly, MA 01915, USA, by way of an assignment entitled "ASSIGNMENT – WORLDWIDE" executed on August 16, 2018 by Todd C. Zion and Thomas M. Lancaster, duly witnessed, identifying U.S. Application Serial No. 62/719,347, filed August 17, 2018 (the "Provisional Application") as an assigned application (hereinafter the "Assignment");

WHEREAS, Assignee desired to acquire all of the entire right, title and interest in, to and under the one or more inventions disclosed, described and claimed or intended so to be in the Applications, and in, to and under the Applications, and in, to and under any and all Letters Patent, United States and foreign, which may be obtained therefore and thereon, and acquired the same by way of the aforementioned Assignment; and

WHEREAS, Assignee wishes to expressly confirm and confirm acceptance of the assignment of rights within the aforementioned Assignment, namely to expressly confirm and confirm acceptance of the assignment of rights from the Assignors to Assignee within said Assignment.

NOW, THEREFORE, to all whom it may concern, be it known that for good, valuable and sufficient consideration to Assignors, the receipt of which is hereby acknowledged, Assignors have sold, assigned and transferred unto Assignee and its successors and assigns, the full and exclusive right, title and interest for the United States, its territories and possessions, and all foreign countries in and to the inventions, improvements and discoveries disclosed in said Letters Patent and the Provisional Application as well as in and to (a) all improvements and modifications of the invention or inventions contained within said Letters Patent and the Provisional Application, (b) the Patents and the Provisional Application and all other applications for Letters Patent of the United States and countries foreign thereto for the invention or inventions contained within said Letters Patent and the Provisional Application and all improvements and modifications thereof, (c) all Letters Patent which may issue from said applications in the United States and countries foreign thereto, (d) all divisions, continuations, reissues, and extensions of said applications and Letters Patent, and (e) the right to claim for any of said applications the full benefits and priority rights under the Patent Cooperation Treaty, the Paris Convention and any other international agreement; such right, title, and interest to be held and enjoyed by Assignee, its successors and assigns, to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by Assignors had the Assignment not been made.

Assignors agreed (a) to communicate to Assignee, its successors and assigns, or their representative or agents, all facts and information known or available to Assignors respecting said invention or inventions, improvements, and modifications including evidence for interference, reexamination, reissue, opposition, revocation, extension, or infringement purposes or other legal, judicial, or administrative proceedings, whenever requested by Assignee; (b) to testify in person or by affidavit as required by Assignee, its successors and assigns, in any such proceeding in the United States or a country foreign thereto; (c) to execute and deliver, upon request by Assignee, all lawful papers including, but not limited to, original, divisional, continuation, and reissue applications, renewals, assignments, powers of attorney, oaths, affidavits, and declarations, depositions; and (d) to provide all reasonable assistance to Assignee, its successors and assigns, in obtaining and enforcing proper title in and protection for said invention or inventions, improvements, and modifications under the intellectual property laws of the United States and countries foreign thereto.

Assignee expressly confirms and confirms acceptance of the assignment of rights within the aforementioned Assignment, expressly confirming and confirming acceptance of the assignment of rights from the Assignors to Assignee within said Assignment.
