ASSIGNMENT

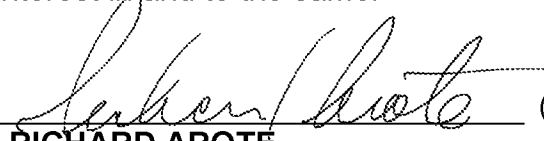

WHEREAS WE, **RICHARD AROTE** and **NORMAN HANSEN**, residing in Fort Lauderdale and Highland Beach, Florida, have invented certain new and useful improvements in a

STACKABLE SILVERWARE CADDY

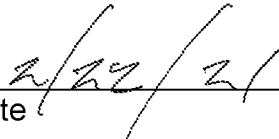

WHEREAS, **KITCHEN COMPANIONS, LLC** (hereinafter Assignee), a limited liability company doing business at Fort Lauderdale, Florida, USA, is desirous of acquiring the entire interest in the underlying invention described in the applications, and in any and all Patents of the United States and of any other countries in which application for patent has been or will be made, that may be obtained therefor;

NOW, THEREFORE, be it known that for sufficient consideration, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Assignee, and to the said invention as fully set forth and described in the above-mentioned application, and to the application and any and all divisions and continuations thereof, and any and all Letters Patent of the United States which may be granted therefor, and any and all reissues of the Letters Patent, the same to be held and enjoyed by the said Assignee, its legal representatives, successors and assigns, to the full end of the term, for which the Letters Patent may be granted or may be reissued or extended, as fully and entirely as the same would have been held by us, had this assignment and sale not been made.

AND WE hereby authorize the said Assignee to make an application for Letters Patent and the Director to issue any and all Letters Patent of the United States and worldwide on the invention or resulting from the application and from any and all divisions and continuations thereof to the said Assignee as the assignee of the entire right, title and interest in and to the same.
