**ASSIGNMENT OF WORLDWIDE RIGHTS**

**WHEREAS, I, Philippe Ragot** residing at Le Mans, France, as **Assignor**, have made an invention entitled

**“Edible Product Comprising Reconstituted Plant Material”**

as described in a United States of America patent application bearing an Application No. **61/861,541**, which was filed on **August 2, 2013**; and

**WHEREAS, LTR Industries**, a company organized under and pursuant to the laws of France having its principal place of business at **Kerisole, 29393 Quimperlé, France** (hereinafter referred to as Assignee), as Assignee, is desirous of confirming ownership and securing the entire right, title and interest in and to this invention in all countries throughout the world, and in and to said patent application for this invention and the Letters Patent to be issued upon this application;

**NOW, THEREFORE**, be it known that for good and valuable consideration the receipt of which from assignee is hereby acknowledged, I, as assignor, as of the filing date of the above application, have assigned, transferred, and set over due to an obligation to assign inventions pursuant to a prior existing agreement, and do hereby assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention and this application, and all divisions, continuations and continuations-in-part thereof, and all Letters Patent in the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such applications, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof, and I hereby authorize and request the Commissioner for Patents of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Agreement.

**AND, I HEREBY** covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed, and will not execute any agreement in conflict with this Assignment;

**AND, I HEREBY** further covenant and agree that I will, without further consideration, communicate with assignee, its successors and assigns, any facts known to me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title of this invention in said assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

**IN WITNESS WHEREOF**, Assignor has executed this document as indicated below.

Effective as of the above-mentioned filing date.
