## ASSIGNMENT

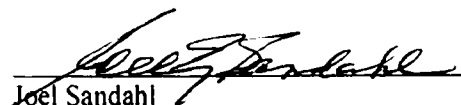

IN CONSIDERATION of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Joel Sandahl, on behalf of Rolled-Ribbon Battery Company LLC, does hereby sell, assign and transfer unto TDK Edison LLC, an LLC organized and existing under and by virtue of the laws of the State of Illinois and having an office at 14409 Edison Drive, Unit B, New Lenox, IL 60451, its successors, assigns and legal representatives, the entire right title and interest in and to all subject matter assigned to InvenTek Corporation and disclosed in the U.S. Patent Applications and Patents listed in the attached Schedule A and any divisions and continuations thereof that may be obtained therefor, and the right, where such right can be legally exercised in its own name to apply for and obtain Letters Patent, Inventor's Certificates, Utility Models and Designs, in countries foreign to the United States, including the full right to claim for any such application the benefits of the International Convention as fully and entirely as could have done if the application had been assigned to InvenTek Corporation, and the entire interest in any Letters Patent, Inventor's Certificate, Utility Model or Design which may be granted on any such application in such foreign country; and InvenTek hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue Letters Patent, Inventor's Certificates, Utility Models and Designs that may be granted for said invention to said TDK Edison LLC, its successors and assigns.

The InvenTek Corporation's patents had been acquired by Rolled-Ribbon Battery Company, LLC on May 8, 2017.

InvenTek Corporation and Rolled-Ribbon Battery Company LLC further assign the right to sue for any infringement of any patents relating to the applications listed in the attached spreadsheet labeled Schedule A, the right to sue for any past infringements on any patent issued therefrom, and I hereby agree to execute such other lawful documents and perform such other lawful acts as are requested for securing TDK Edison LLC its successors and assigns all of the rights to the assigned patents.

IN WITNESS WHEREOF, I have signed, sealed and delivered this instrument this 2<sup>nd</sup> day of

March, 2021

  
Joel Sandahl

CEO of Rolled-Ribbon Battery Company LLC
