ASSIGNMENT

For valuable consideration, the receipt of which we acknowledge, and intending to be bound legally, we, RUSSELL B. FORD, and EDWARD G. SOLOMON, each individually assign to TRIPLE RING TECHNOLOGIES, INC., a corporation formed under the laws of California and having a principal place of business at 39655 Eureka Drive, Newark, CA 94560, and its successors, transferees, and assignees (collectively the "Assignee"), all of our individual and joint right, title, and interest throughout the world in the invention(s) (the "Subject Matter") described in attached Schedule A (the "Application") that names us as inventors, along with co-inventors MITCHELL LAWRENCE JONES, and JEFFREY A. SHIMIZU is titled "INGESTIBLE DEVICE WITH RELATIVELY LARGE PAYLOAD VOLUME."

This Assignment assigns, in addition to the Subject Matter of the Application, (a) the Application and all other applications that may be made for, and all patents, utility models, design registrations, and other rights of exclusion and inventors' certificates for, any of the Subject Matter (collectively the "Applications and Granted Rights") in every country or region and under every treaty or convention, (b) the right to claim priority based on and the benefit of the filing date of any of the Applications and Granted Rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other applicable treaties or conventions, and (c) the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment, to the extent that we are in current possession of or will come into possession of any individual or joint right, title, and interest in any of the aforementioned rights.

We will communicate to the Assignee (or, at the request of the Assignee to other parties) all known facts in any form relating to the Subject Matter; will execute and provide all oaths and declarations, statements, testimony, assignments, powers of attorney, applications, and documents; and will perform all other lawful acts necessary or desirable to secure fully to the Assignee the rights, titles, and interests assigned by this Assignment.
