PATENT APPLICATION / WORLDWIDE

ASSIGNMENT

In consideration of the sum of one dollar and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, the undersigned, whose name and full post address is set out below:

KOKKO, Lauri

Kallioportinkatu 5 D 21, FI-33710 Tampere, Finland

do hereby sell or have sold, assign or have assigned, and transfer or have transferred unto **VALMET TECHNOLOGIES OY**, hereinafter called the Assignee, whose full post office address is **Keilasatama 5, FI-02150 Espoo, Finland**, and to the Assignee's successors, assigns, nominees or other legal representatives, our entire right, title, interest, property and benefit for Canada, the United States of America and all other countries worldwide, in and to our invention relating to

**"A method and a system for producing hydrochloric acid from flue gases"**

as fully set forth and described in an International patent application **PCT/FI2019/050684** filed **24 September 2019**.

together with my entire right, title, interest, property and benefit for Canada, the United States of America and all other countries worldwide, in and to the aforementioned application, any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified application under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by me had this sale, assignment and transfer not been made;

I hereby authorize any official whose duty it is to grant patents, to grant any Letters Patent for the invention to the Assignee, and to its successors, assigns, nominees or other legal representatives;

I hereby covenant and agree, for myself and for my heirs, executors and administrators, to do all such things and to execute and deliver without further consideration such further assurances, applications, instruments, assignments and other documents as may reasonably be required by the Assignee to obtain Letters Patent in Canada, the United States of America and all other countries worldwide, for the invention, and vest or secure the same in the Assignee;

In witness whereof, I have hereunto signed my name on the day and year set forth below.

Executed this 19 day of Dec, 2019
