ASSIGNMENT

WHEREAS, Ruth Niles of Newville, Pennsylvania (the "Assignor") is the inventor or co-inventor of the subject matter (the "Inventions") of a number of issued patents (the "Patents") as well as a number of patent application or applications, currently pending, in process to be filed, or yet to be invented (the "Applications") which are identified below; and

WHEREAS, Paul L. Holmes of Moscow Mills, Missouri (the "Assignee") wishes to acquire an assignment of all rights to the Patents and the Application, and the Assignor wishes to assign all rights to the Inventions disclosed in the Patents and the the Applications, as well as in any and all patents to be obtained from the Applications;

NOW, THEREFORE, in consideration of good and valuable consideration received, Assignor hereby sells, assigns, transfers and sets over unto said Assignee, his successors and assigns, the entire right, title and interest in and to said inventions, as described in the aforesaid Applications and Patents, in any form or embodiment thereof, and in and to the aforesaid Applications and Patents; and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country; and the Assignor hereby authorizes and requests the issuing authority to issue any and all patents on said Applications to said Assignee or his successors and assigns.

Assignor further agrees to execute all divisional, continuing, substitute, improvement, extension, reissue and other patent applications in this or any foreign country relating to said Applications or Inventions and to sign all other lawful papers and to perform all other lawful acts without further consideration, but without expense to themselves, which the Assignee may deem necessary or desirable to make this Assignment fully effective including by way of example, but not of limitation, the following acts:

- (1) Prompt execution of all lawful oaths, affidavits and/or supplemental oaths required or deemed advisable by the Assignee to further the prosecution of any application or applications for letters patent relating to the subject matter of this Assignment;
- (2) Cooperation in the execution of all lawful documents, the production of evidence, and the giving of testimony in interference, opposition, nullification or infringement proceedings involving the said invention or improvement, applications or patents or any of them.

Assignee and Assignor authorize and request attorney Steven O'Donnell, USPTO Registration #53402, to add US Patent Application filing numbers and dates below or as an attachment when known
