ORIGINAL ASSIGNMENT

For valuable consideration,

Maya Wrap, Inc., a Nebraska corporation, 1445 Crater Lane, Yadkinville, North Carolina 27055 (hereinafter "Assignor"), hereby assign to

Maya & Company, LLC

a corporation having a place of business at

306 N. Elder Grove Drive
Pearland, TX 77584

and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are the described and/or claimed in United States Design Patent No. US D630,838 S issued January 18, 2011 entitled:

"Baby Sling"

This assignment includes said application, any and all United States and foreign patents, utility models, design registrations, inventor's certificates and other similar rights granted for any of said inventions or improvements (including continuations, continuations-in-part, and divisional), and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes. I hereby authorize the Assignee to apply in all countries in my name, or in its own name, for patents, utility models, design registrations and like rights of exclusion and for inventor's certificates for said inventions and improvements; and I agree for myself and my heirs, legal representatives and assignees, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereby set my hand, date of signature and place of signature as indicated below.
