ASSIGNMENT BY INVENTORS

WHEREAS, I, Heather de Courreges, a citizen of the United States of America, having a mailing address of 1400 Hudson Street, Apt. 233, Hoboken, New Jersey 07030 (hereinafter the "Assignor"), is the sole inventor and owner of certain new and useful invention(s) (hereinafter "Inventions") and improvement(s) entitled: "Sandal Upper", as set forth in U.S. Application for Letters of Patent of the United States, already filed on January 12, 2018, as U.S. Application No. 29/633,342; "Sandal Upper", already filed on January 12, 2018, as U.S. Application No. 29/633,359; and "Sandal Upper", already filed on February 7, 2018, as U.S. Application No. 29/636,326 ("Design Applications").

WHEREAS, JPT Group LLC, a limited liability company, organized under and pursuant to the laws of the State of Delaware having its principal place of business at 809 Meander Ct., Medina, Minnesota 55340 (hereinafter "the Assignee"), is desirous of acquiring the entire right, title and interest in and to said Invention and in and to any United States or corresponding foreign, international, or regional application (including any PCT International Application and any Regional Applications such as an EPO Patent Application) claiming or applied for (now or in the future) the Invention and any Letters Patent to be obtained therefor and thereon (to the extent any such right, title, and interest have not been previously acquired).

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, my entire right, title and interest in and to

(a) said Inventions and improvements and worldwide rights therein;

(b) said Design Applications;

(c) any United States or corresponding foreign, regional (including any patent application filed with the European Patent Office) or international patent application claiming or applied for (now or in the future) the Inventions, Designs, or claiming priority to, or the benefit of the filing date of, (now or in the future) the Design Applications or any corresponding U.S., foreign, regional, or international application related to the Inventions, including all divisions, continuations, continuations-in-part and substitutions thereof; and

(d) any and all United States and foreign (and regional) patents which shall issue on said Inventions, Designs or from any of the above-identified applications ((a) - (c)) including all reissues, reexaminations, renewals, divisions, continuations, and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file applications for Letters Patent on said Inventions or Designs, and any of the aforementioned applications (in (a) - (c)), in any and all foreign countries and any other patent office, and every priority right that is or may be predicated upon or arise from any of said Inventions, Designs, or said aforementioned applications, the same to be held and enjoyed by said Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by Assignor, had this Assignment and sale not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution

and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to the said Inventions and said applications for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full-right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patents and applications for Letters Patent for said Inventions or Designs, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Inventions, or any proceeding in connection with any Letters Patents or applications for Letters Patent for said Inventions in any country or patent office, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patents of the United States to Assignee, as Assignee of said Inventions and the Letters Patents to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignors hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
