ASSIGNMENT (*this "Assignment"*)

WHEREAS, **BOYD CORPORATION**, of, 5960 Inglewood Drive, Suite 115, Pleasanton, California 94588 ("Assignor"), is the owner of United States of America (*the "United States"*) Patent, "Titanium Thermal Module", under Patent Number 10,561,041 ("the Patent"), issued February 11, 2020; and

WHEREAS, **PIMEMS, INC.**, created and existing under the laws of the State of California, with its principal place of business at 5960 Inglewood Drive, Suite 115, Pleasanton, California 94588 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to the Patent; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Assignment. Assignor hereby assigns, sells, transfers and conveys to Assignee, its successors and assigns, free and clear of all liens, security interests, liabilities and encumbrances, the full and exclusive right, title and interest in and to the Patent, including without limitation, any and all divisions, reissues, continuations, conversions, renewals or revivals of the same, the same to be held and enjoyed by Assignee for its own use and benefit, for the remaining term for which the Patent was issued, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor further assigns, sells, transfers and conveys to Assignee, its successors and assigns all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of this Assignment or may accrue hereafter, including, but not limited to, the right to sue for, collect, and retain damages for any infringement of the Patent.

Assignor hereby promises and agrees, upon Assignee's request, to execute such additional papers and instruments necessary, expedient and permissible to procure and to convey to the Assignee the entire right, title and interest in and to the Patent.

Successors in Interest. This Assignment shall be binding upon and inure to the benefit of the respective heirs, successors, legal representatives and assigns of Assignor and Assignee.

Power to Insert. The undersigned hereby grant(s) the firm of Botkin & Hall, LLP the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
