ASSIGNMENT

U.S. Patent Application No. 14/654300

Canadian Patent Application no. 2,895,876

In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, SAINT-GOBAIN PLACO SAS (ASSIGNOR) hereby assignd to:

CertainTeed Gypsum, Inc.
20 Moores Road
Malvern, PA 19355
United States of America

its successors and assigns, the entire right, title and interest in the United States and Canadian patent applications referenced above, entitled as:

Calcium Sulphate-Based Products

and in any and all Letters Patent of the United States and Canada, which may be obtained on any of said applications, and in any reissue, continuation, divisional, continuation-in-part or extension of such patents and applications.

ASSIGNOR warrants itself to be the owners of the entire right, title and interest in said patent applications and has the right to make this assignment, and further warrants that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations ASSIGNOR hereby agrees, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations further agrees, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of ASSIGNOR with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain, maintain and enforce said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by ASSIGNOR if this assignment had not been made.
