ASSIGNMENT BY INVENTORS

THIS ASSIGNMENT, made this 11th day of March, ²⁰²¹~~2020~~, by
Glenn Andrew Hunt Whitfield (hereinafter referred to as Assignor), residing at Rivendell,
Pound Street, Ebbsbourne Wake, Salisbury, Wiltshire SP5 5JB, Great Britain.

WHEREAS, Assignor has invented certain new and useful improvements in
DUCTED WIND TURBINE AND SUPPORT PLATFORM, set forth in a Patent
Application for Letters Patent of the United States, already filed on November 16, 2020
as U.S. Application No. 17/098,900; and

WHEREAS, SEAMACH LTD., an organization having its principal place of
business at Unit 10, The Bluestone Centre, Sunrise Way, Amesbury SP4 7YR, United
Kingdom (hereinafter referred to as Assignee), is desirous of acquiring the entire right,
title and interest in and to said inventions and said Application for Letters Patent of the
United States, and in and to any Letters Patent of the United States to be obtained
therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of
which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and
by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal
representatives and assigns, the entire right, title and interest in and to the above-
mentioned inventions and application for Letters Patent, and in and to any and all direct
and indirect divisionals, continuations and continuations-in-part of said application, and
any and all Letters Patent in the United States and all foreign countries which may be
granted therefore and thereon, and reissues, reexaminations and extensions of said Letters
Patent, and all rights under the International Convention for the Protection of Industrial
Property, the same to be held and enjoyed by the Assignee, for its own use and benefit
and the use and benefit of its successors, legal representatives and assigns, to the full end
of the term or terms for which Letters Patent may be granted and/or extended, as fully
and entirely as the same would have been held and enjoyed by the Assignor, has this sale
and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to
Assignee, its successors, legal representatives and assigns, that, at the time of the
execution and delivery of these presents, except for any rights, titles and/or interests that
have arisen to Assignee under law or that have already been transferred to Assignee,
Assignors are the sole and lawful owners of the entire right, title and interest in and to the
said inventions and application for Letters Patent above-mentioned, and that the same are
unencumbered and that Assignors have good and full right and lawful authority to sell
and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and
with Assignee, its successors, legal representatives and assigns, that Assignors will sign
all papers and documents, take all lawful oaths and do all acts necessary or required to be

done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignee hereby acknowledges and accepts receipt of all of Assignor's entire rights, title and interest in and to the above-mentioned invention(s), said Application for Letters Patent and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon from said International Application.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademarks Office for recordation of this document:

Kim IP Law Group LLC

All practitioners at Customer No.: 103651

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.
