ASSIGNMENT

Whereas, new and useful improvements and inventions have been made by the undersigned in

WORKING DEVICE HAVING A HYDRAULIC CYLINDER AND MANUAL WORKING DEVICE SUCH AS A PLIERS OR A PRESS

and are the subject of a patent application prepared for filing in the United States Patent and Trademark Office, and executed by the undersigned on the date indicated below in the appropriate space to the right of the signature of the undersigned, which application is further identified as U.S. Patent Application Serial No. 17/056,712 filed November 18, 2020 (Klintworth & Rozenblat Docket No. KLK01-047-PCT-US).

Which is based on International Application No: PCT/EP2019/062635, Filing Date: May 16, 2019;

Whereas, **GUSTAV KLAUKE GMBH**, a German corporation, having a place of business at Auf dem Knapp 46, 42855 Remscheid, Germany, hereinafter referred to as "assignee", is desirous of acquiring all right, title and interest throughout the world in, to and under said improvements and inventions and patent rights therefor.

Now, Therefore, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all right, title, and interest, in the United States and throughout the world, in, to and under said improvements and inventions and all patents, patent applications, patent rights, and inventor's certificates thereof, therefor, and therein, including without limitation said application for patent in the United States, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all right to sue for past infringement thereunder, all patents which may be granted for said improvements and inventions by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefor, have been and are hereby sold, assigned, transferred and delivered unto assignee, its successors and assigns; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents in, to, and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the entire right, title and interest in, to, and under the same.

The undersigned hereby grants the firm of Klintworth & Rozenblat IP LLP the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
