REEL: 055635 FRAME: 0956

No Conflicts.

The Employee represents and warrants to the Company that:

there exists no agreement or contract and the Employee is not subject to any obligation, which restricts the Employee from (i) from performing the duties assigned to the Employee pursuant to this Confidentiality Agreement; or (ii) from soliciting the clients or customers of a third party; or (iii) from using information within the Employee's knowledge or control which may be useful in the performance of the Employee's duties for the Company;

in the performance of the Employee's duties for the Company, the Employee shall not improperly bring to the Company or use any trade secrets, confidential information or other proprietary information of any third party; and

the Employee will not infringe the intellectual property rights of any third party.

The Employee acknowledges and agrees that the Employee has listed on **Schedule A** all Inventions, that as of the commencement of the parties' relationship, belong solely to the Employee or jointly to the Employee with others, and that relate in any way to to any of the Company's proposed businesses, products or research and development, and which are not assigned to the Company hereunder; or if not such list is attached, the Employee represents that there are no such Inventions at the time of signing this Agreement.

2.3. The Employee acknowledges that the Company has relied upon the representations outlined in Sections 2.1 and 2.2, above. The Employee agrees to indemnify and hold the Company, its directors, officers, Employees, agents and/or consultants harmless against any and all claims, liabilities, losses, damages, costs, fees and/or expenses including reasonable legal fees incurred by the Company, its director, officers, Employees, agents and/or consultants by reason of a violation by the Employee of any of the representations contained in Sections 2.1 and 2.2 of this Confidentiality Agreement.

Ownership of Inventions.

The Employee agrees that all Inventions which are made or conceived by or on behalf of the Employee are Confidential Information and shall remain the property of Uber Technologies, Inc., a parent entity of Company. The Employee acknowledges that as between the Company, Uber Technologies, Inc., and the Employee, all trade secrets, copyright, patents, and other intellectual property rights which subsist in the Inventions shall be and shall remain the property solely of Uber Technologies, Inc. and Uber Technologies, Inc. shall be free to adopt the Inventions. The Employee agrees to execute such documents (including, without limitation, assignment documents and applications to register patents) and do such other things as the Company or Uber Technologies, Inc. may require from time to time to transfer to and vest in the Company or Uber Technologies, Inc. the ownership of such Inventions.

The Employee agrees to promptly disclose to the Company all Inventions as the Employee becomes aware of them. Neither the Company nor Uber Technologies, Inc. shall be required to designate the Employee as the author of any Invention, and the Employee waives and releases, to the extent permitted by law, any rights to such designation and any rights concerning future modifications of the Inventions (including, without limitation, author's moral rights in any copyright which may subsist in any Inventions).

In the event the Company or Uber Technologies, Inc. is unable, after reasonable effort, to secure the Employee's signature relating any documents referenced in Section 6.1 above, whether because of my physical or mental incapacity of for any other reason whatsoever, the Employee hereby irrevocably designate and

execute and file any such application and do all other lawfully permitted acts to further the issuance of any such patent, copyright or other analogous protection or intellectual property right with the same legal force and effect as if executed by the Employee. Post-Employment Obligations. On or after the termination of employment for any reason, the Employee agrees to co-operate in good faith by making himself or herself available and providing whatever reasonable assistance may be required by the Company from time to time with respect to matters with which the Employee was involved during the employment. Headings. The headings used in this Agreement are included for the purpose of reference only and shall not constitute a part of this Agreement for any other purpose. Severability. If any provision of this Agreement or its application in a circumstance is restricted, prohibited or unenforceable, the provision shall be ineffective only to the extent of the restriction, prohibition or unenforceability without invalidating the remaining provisions of this Agreement and without affecting its application to other circumstances. Agreement is a contract made under and shall be Governing Law. This governed by and construed in accordance with, the laws of the province in which the Employee was last employed and the federal laws of Canada applicable in the province
