Attorney Docket No.: SYNC-5500

ASSIGNMENT

WHEREAS, we, **Richard S. Stack, William L. Athas, and Kevin W. Johnson** (the "Assignors")

have invented certain invention(s) described in US Patent Application No. 16/579,779, filed September 23, 2019.

For good and valuable consideration, the receipt of which is hereby acknowledged, we hereby assign, sell and transfer to **Synecor LLC**, a Delaware limited liability company (the "Assignee"), its successors and assigns, the entire right, title and interest throughout the world in and to our invention(s) which are described in the patent applications listed above, said application(s), and all patent applications and patents for said invention(s) in every country and region throughout the world (including international applications made under the Patent Cooperation Treaty) including divisions and continuations thereof, all rights of priority resulting from the filing of said applications, and all patents that issue from any of the foregoing, including all reissues, renewals or extensions of such patents.

We authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for patents for the invention(s), in its own name if desired, in any and all countries and regions, and additionally to claim all right of priority to said applications.

We agree that we will, at any time upon request, without further or additional consideration, but at the expense of said Assignee, its successors and assigns, cooperate with Assignee in the prosecution of patent applications for the invention(s), execute, verify, acknowledge and deliver all such further papers, including applications for patent and for the reissue thereof, and instruments of assignment and transfer thereof, and perform such additional acts as said Assignee, its successors and assigns, may lawfully request to obtain, maintain, and enforce patents for said invention(s) in any and all countries, and to vest title thereto in said Assignee.

IN WITNESS WHEREOF, Assignors have executed this assignment on the dates set forth below.
