ASSIGNMENT

WHEREAS, **Horizn Studios GmbH**, a corporation having a place of business at **Stralauer Allee 11, D-10245 Berlin, Germany**, hereinafter the "Assignor," is the sole owner of the invention and **United States Design Patent No. D889,835 S**, issued on **July 14, 2020**, entitled **LUGGAGE SHELL WITH SURFACE CONFIGURATION**, a full description of which is set out in the application for Design Patent of the United States assigned **Application No. 29/664,238**, filed on **September 24, 2018**, claiming priority to **EPO Design Application No. 004952505-0001**, filed on **March 22, 2018**, and **EPO Design Application No. 004952505-0002**, filed on **March 22, 2018**;

WHEREAS, **HS New Travel GmbH**, a corporation having a place of business at **Potsdamer Straße 87, 10785 Berlin, Germany**, hereinafter the "Assignee," has acquired the entire right, title and interest in and to the invention and the patent identified above, and all patents which may be obtained for said invention, as set forth below;

NOW, THEREFORE, for good, valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred to the Assignee, for the United States, the entire right, title and interest in and to the invention and the patent identified above, and any patents that have issued or will issue for said invention in the United States; together with the entire right, title and interest in and to said invention, including the full right to claim, for any application based on the invention, all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all non-provisionals, continuations, divisions, reissues, renewals and extensions of the patent defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in vesting in the Assignee exclusive title in and to all such other patent applications and patents based on the invention; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this Assignment.
