ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, does hereby:

SELL, ASSIGN AND TRANSFER to **Trinity Bay Equipment Holdings, LLC** (the "Assignee"), a Delaware corporation, having a place of business at 910 Louisiana Street, Suite 2700, Houston, Texas 77002, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the Applications for United States Letters Patent set forth in Schedule A appended hereto, such Applications for Letters Patent and all non-provisional, divisional, continuing, continuation-in-part, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries corresponding or relating to such applications or to any of such inventions and improvements; all original and reissued patents which have been or shall be issued in the United States and all foreign countries corresponding or relating to such applications or to such inventions and improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such applications in the United States; and the right to bring suit for past infringements of such United States and foreign patents;

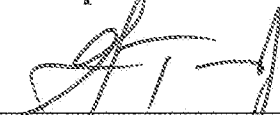

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all rightful oaths, declarations, communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for securing, maintaining and enforcing proper patent protection for such inventions and improvements and for vesting title to such inventions and improvements in the Assignee;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
