ASSIGNMENT

WHEREAS, we, **Margot S. Damaser and Steve Majerus**; of Cleveland Heights, Ohio and Cleveland, Ohio; respectively, have made new and useful improvements in **SYSTEMS AND METHODS FOR ESTIMATING A VOLUME OF A HOLLOW ORGAN** for which application for Letters Patent of the United States has been filed on 31 July 2018 under Serial No. 16/074,149;

WHEREAS, The United States Government as represented by the Department of Veterans Affairs, having offices at 810 Vermont Ave., N.W., Washington, D.C. 20420, is desirous of acquiring the entire right, title and interest in and to the said improvements and all patents therefor to be obtained in the United States of America and countries foreign to the United States;

NOW THEREFORE, BE IT KNOWN that for valuable consideration to me paid, the receipt whereof is hereby acknowledged, we, the said, **Margot S. Damaser and Steve Majerus**, do hereby assign unto The United States Government as represented by the Department of Veterans Affairs, its successors or assigns, the entire right, title and interest in and to the said improvements and any and all inventions pertaining thereto, said application Serial No. 16/074,149, all patents granted therefor in the United States of America and elsewhere, and the right to apply for patents therefor in all countries foreign to the United States and to claim for such applications the priority of United States applications, and we hereby request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents, to issue such patents to The United States Government as represented by the Department of Veterans Affairs, its successors or assigns; and we further agree to execute such other applications and other instruments and do all other acts as may be deemed necessary by The United States Government as represented by the Department of Veterans Affairs, its successors or assigns in order to fully secure, protect and preserve its rights to the said improvements and to obtain patents therefor in the United States of America and all countries foreign to the United States, all without further consideration but at the expense of The United States Government as represented by the Department of Veterans Affairs, its successors or assigns.
