ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties indicated below agree as follows:

1. The undersigned Assignor, Bite Tech Inc., a corporation formed under the laws of the State of Minnesota with its principal office at 20 Glover Ave # 1, Norwalk, Connecticut 06850 (hereinafter, "Assignor"), for the first time does hereby assign, convey, and transfer to GF Capital Private Equity Management, LLC, a limited liability company formed under the laws of the State of Delaware with its principal office at 810 Seventh Avenue, 7th Floor, New York New York 10019 (hereinafter, "Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest of Assignor in and to:
 - a. any and all subject matter (including all inventions and improvements) disclosed in the patents listed in attached Schedule A and in and to any and all related provisional applications, nonprovisional applications, divisional applications, continuation applications, continuation-in-part applications, PCT applications, national phase applications based thereon, all issued patents thereof, any and all reexamination or reissued patents thereof which have been or may be issued in the United States, Europe, and throughout the world, any and all extensions, validations and substitution applications, and all convention and treaty rights throughout the world in and to all such subject matter (hereinafter, collectively, "the Patents");
 - b. the trademark registrations listed in attached Schedule B including any and all goodwill associated therewith and any and all common law rights, logo designs, or other indicia associated therewith (hereinafter, collectively, "the Trademarks");
 - c. any and all rights of action for infringement, including past infringement related to the Patents and/or Trademarks anywhere throughout the world (hereinafter, "the Territory").
2. The Patents and the Trademarks are defined herein collectively as the "Intellectual Property".
3. Assignor further covenants with Assignee, its successors, assigns and legal representatives, and represents and warrants that (a) no assignment, grant, mortgage, or pledge affecting the rights and properties herein conveyed has been made by Assignor to any person or entity other than Assignee, (b) the full right to assign, transfer, and convey the same as herein expressed is possessed by Assignor, and (c) Assignor will not hereafter assign or attempt to assign any rights therein, or take any other action inconsistent with this Assignment.
4. Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Intellectual Property.
5. Assignor pledges and agrees to do all acts and execute all other documents which are necessary or are reasonably requested by Assignee in order to insure, confirm, or establish that Assignee owns all of Assignor's right, title, and interest in and to the subject matter (including all inventions and improvements) disclosed in the Intellectual Property and that any and all other interests and rights appurtenant thereto owned by Assignor including, but not limited to, all such rights and interests referred to herein are owned and possessed by Assignee.

6. In the event that, after the date of signing of this Assignment, Assignor is unable for any reason whatsoever to sign or deliver any document required under this Assignment, Assignor hereby irrevocably designates Assignee to act for and on its behalf, to execute and file any such document, and to do all other legal acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.
7. This Assignment constitutes and shall be deemed a contract made under the laws of the State of New York, without reference to its conflicts of laws jurisprudence, for any and all purposes and shall be interpreted and enforced in accordance with such laws.
8. All terms and words used in this Assignment, regardless of the number, format or gender in which they are used, shall be deemed and construed to include any other number (singular or plural), or any format (hyphenated or capitalized), or any other gender (masculine or feminine or neuter), as the context or sense of this Assignment may require, the same as if the words had been fully and properly written in the proper number, format or gender.
9. If any provision of this Assignment is held by a court of competent jurisdiction to be illegal, invalid or unenforceable, all other provisions of the Assignment shall be unimpaired and shall remain in full force and effect.
10. This Assignment may be executed in identical counterparts with the same force and effect as if the signatures were all set forth on a single instrument. This Assignment is deemed to be executed and effective as of the date on which the last party signs a counterpart to this Assignment ("Effective Date").
