ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, by William E. Cohn, M.D., (hereinafter referred to as Assignor), residing at 4540 Magnolia, Bellaire, Texas 77401

WHEREAS, Assignor co-invented certain new and useful inventions in a Device and System for Insertion of Penetrating Member, including, but not limited to, applications for Letters Patent, identified on Schedule A hereto (the "Intellectual Property"); and

WHEREAS, Baylor College of Medicine, a Texas nonprofit corporation (hereafter "Baylor"), having its principal office and place of business at One Baylor Plaza, Houston, Texas 77030; and the Texas Heart Institute, a Texas nonprofit corporation (hereafter "THI"), having its principal office and place of business at 6770 Bertner Avenue, Houston, Texas 77030, (collectively, THI and Baylor are hereinafter referred to as Assignees), are desirous of acquiring the entire right, title and interest in and to said Intellectual Property.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignees, its successors, legal representatives and assigns, his entire right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignees, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignees, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignees under law or that have already been transferred to Assignees, Assignor is a lawful

owner of a joint undivided right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignees, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, whenever counsel of Assignees, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignees, as Assignees of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Assignees, its successors, legal representatives and assigns.

AND Assignor acknowledges an obligation of assignment of this invention to
Assignees at the time the invention was made.

Date: March 20, 2021

William E. Cohn, M.D.
