ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, is made by Thomas A. Cobett residing at 10042 Oak Branch Trail, Strongsville, Ohio 44149 (hereinafter referred to as Assignor);

WHEREAS, Assignor has invented certain new and useful improvements in METHOD FOR INORGANIC BINDER CASTINGS as set forth in U.S. Provisional Patent Application No. 62/795,294, filed on January 22, 2019 and U.S. Non-Provisional Patent Application No. 16/748,893, filed on January 22, 2020; and

WHEREAS, Lift Technology, having its principal place of business at 1400 Rosa Parks Boulevard, Detroit, Michigan 48216 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and said Applications for Patent of the United States, and in and to any Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention and Applications, and in and to any and all divisions, continuations and continuations-in-part of said application, and any and all Patents in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and

lawful owner of the entire right, title and interest in and to the said invention and applications for Patents above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Patents and applications for Patents for said invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said invention, or said Provisional Application and Non-Provisional Application for Patent, or any proceeding in connection with any Patents or application for Patents for said invention in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Patents, or any reissue, reexamination or extension of any Patents, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner for Patents and Trademarks to issue said Patents of the United States to Assignee, as Assignee of said invention and the Patents to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
