PATENT ASSIGNMENT

This PATENT ASSIGNMENT AGREEMENT (this “Assignment”) is entered into as of March 31, 2021 (the “Effective Date”), by and among Triton Water Holdings, Inc., a Delaware corporation (“Assignor”), on the one hand, and Nestlé Waters North America Holdings, Inc., a Delaware corporation (“Assignee”), on the other. Assignor and Assignee are sometimes referred to herein individually as a “Party” and collectively as the “Parties.”

WHEREAS, Assignor and Assignee are affiliates and are executing and delivering this Assignment to effectuate the assignment of the patent and industrial design registrations, and pending applications therefore, including provisionals, continuations, divisionals, continuations-in-part, reissues, reexaminations, substitutions and extensions thereof set forth on Exhibit A (“Patents”) in connection with the Intellectual Property Contribution and Assignment and Assumption Agreement, dated as of March 31, 2021, pursuant to the terms and conditions set forth herein; and

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants, agreements and conditions set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. Assignment. Assignor hereby sells, conveys, assigns, transfers and delivers to Assignee, its successors and assigns, its entire right, title and interest in and to the Patents listed in Exhibit A attached hereto, and all other corresponding rights that are or may be secured under the laws of the United States or Canada, or, except for the NA Patents, any foreign country, now or hereafter in effect, and all divisions, renewals, reissues, reexaminations, continuations-in-part, substitutes, extensions, continuations thereof (including, without limitation, all proceeds thereof and the rights to sue for past, present and future infringements, the right to sue and obtain equitable relief, including injunctive relief, in respect of such infringements, and the right to grant licenses or other interests therein). The “NA Patents” mean any rights to U.S. patent application nos. 29679119, 29657516, 29565038, 29283247, 29284035, 29488883, 29488887, 29691419, 29650062 and any Patents granted from or claiming priority to such applications.

2. Recordation. Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks and any other applicable governmental entity or registrar (including any applicable foreign or international office or registrar) to record Assignee as the owner of the Patents and to issue any and all Patents to Assignee, as assignee of Assignors’ entire right, title and interest in, to, and under the same. Assignee shall have the right to record this Assignment with all applicable governmental authorities and registrars so as to perfect its ownership of the Patents.

3. Cooperation. Assignor agrees to execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such further instruments and documents and to perform such further acts as may be reasonably requested by Assignee to effectuate more fully the transactions contemplated by this Assignment.

4. Governing Law. This Assignment, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Assignment, or the negotiation, execution or performance of this Assignment (including any claim or cause of action based upon, arising out of or related to any representation or warranty made in or in connection with this Assignment or as an inducement to enter into this Assignment), shall be governed by, and enforced in accordance with, the internal laws of the State of New York, without giving effect to any laws, rules or provisions of the State of New York that would cause the application of the laws rules or provisions of any jurisdiction other than the State of New York.

5. Successors and Assigns. This Assignment shall inure to the benefit of and be binding upon the Parties hereto and their respective successors and permitted assigns.

6. Amendment and Modification; Waiver. This Assignment may be amended, modified or supplemented only by an agreement in writing signed by each Party hereto. No waiver by any Party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Assignment, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this Assignment shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

7. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.
