ASSIGNMENT

WHEREAS I, Jamie Brandt, resident of the State of Minnesota, have made an invention disclosed in the following application:

“Mounting Apparatus for an Electronic Device”, and further identified by attorney docket number 2019-7054. ORP (hereinafter the “Application”);

Engineered Network Systems, LLC, a limited liability corporation organized and existing under the laws of the State of Delaware, and having a place of business at 14451 Ewing Avenue, Burnsville, Minnesota 55306 (“Engineered Network Systems”), is desirous of acquiring the Application and the invention disclosed therein (“Invention”), and any and all United States and foreign patents that may be granted on said Application and on said Invention;

NOW, THEREFORE, Be It Known that for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, I, Jamie Brandt, have sold, assigned and transferred, and do hereby sell, assign and transfer to Engineered Network Systems my entire right, title and interest in and to said Invention, said Application, and any and all United States and foreign patents that may be granted on said Invention and said Application.

I covenant that I have not executed any instrument or taken any action contrary to this Assignment, nor will I do so in the future, and further covenant that I or my executors, administrators, representatives or assigns will execute all papers, assignments or other documents as requested by Engineered Network Systems, will provide testimony by affidavit or otherwise on behalf of Engineered Network Systems any proceeding before the U. S. Patent and Trademark Office, foreign patent office, state or federal court, or other decision-making body, and in general will cooperate fully with Engineered Networks Systems or its successors and assigns in the endeavor to secure, perfect, maintain or enforce any rights under said Application and said Invention and any patents granted on said Application and/or said Invention.

The Commissioner of Patents, and the officials with comparable authority over patents in foreign countries, are hereby authorized and directed to issue, in accordance with this Assignment, any and all patents granted on the said Invention and/or Application.

Signed at Burnsville, this 30 day of March, 2021.
