ASSIGNMENT
(Patent Application)

JOINT

WHEREAS, **Duy P. Le, Ryan Ott, Robert A. Boyd, Christina J. Smiechowski, Kjell F. Ekman, Yufan Liao and Wenjie Zhuang**, hereinafter referred to as “Assignors,” are the inventors of the invention described and set forth in the below-identified applications for United States Letters Patent:

- U.S. Provisional Application No. 63/154,406, filed February 26, 2021 and entitled “**WIRELESS LISTENING DEVICE**”; and
- U.S. Non-Provisional Application No. 17/223,655, filed April 6, 2021 and entitled “**WIRELESS LISTENING DEVICE**”.

WHEREAS, **APPLE INC.**, a corporation of the state of California, located at One Apple Park Way, Cupertino, California 95014, United States of America, hereinafter referred to as “ASSIGNEE,” is desirous of acquiring an interest in the invention and application and in any U.S. Letters Patent and Registrations which may be granted on the same;

For good and valuable consideration, receipt of which is hereby acknowledged by Assignors, Assignors have assigned, and by these presents do assign to Assignee all right, title and interest in and to the invention, the above-referenced provisional and nonprovisional applications and application and to all foreign counterparts (including patent, utility model and industrial designs), and in and to any Letters Patent and Registrations which may hereafter be granted on the same in the United States and all countries throughout the world, and to claim the priority from the provisional and nonprovisional applications as provided by the Paris Convention. The right, title and interest is to be held and enjoyed by Assignee and Assignee’s successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignors had this Assignment not been made, for the full term of any Letters Patent and Registrations which may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignors further agree that they will, without charge to Assignors, but at Assignee’s expense, (a) cooperate with Assignee in the prosecution of U.S. Patent applications and foreign counterparts on the invention and any improvements, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer, and (c) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the invention and improvements in any and all countries, and to vest title thereto in Assignee, or Assignee’s successors and assigns.

Assignors hereby authorize and request Kilpatrick Townsend & Stockton LLP, 1100 Peachtree Street, Suite 2800, Atlanta, Georgia 30309, to insert herein above the application number and filing date of said nonprovisional application when known.
