ASSIGNMENT

Pursuant to my obligation to Robert Bosch GmbH (hereinafter referred to as "Assignee"),
having its principal place of business at:

Postfach 30 02 20
Stuttgart, Germany 70442

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged,
I:

Boris Livshitz
7339 Shelter Creek Lane
San Bruno, CA 94066

Phillip Mather
3454 E. Rockledge Road
Phoenix, AZ 85044

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors
and assigns, except as set forth below, my entire right, title and interest –

(1) in and to an invention entitled "Magnetic Field Sensor With Optimized Coil
Configurations for Flux Guide Reset" for which I have executed a United States patent
application, said United States application being assigned U.S. Serial No. 17/104262
filed November 25, 2020;

(2) in and to said United States patent application, in and to all other patent
applications (including divisional, continuation, continuation-in-part, §111(b) provisional,
§111(a), reissue applications, and international patent applications designating the United
States) based upon said invention, and in and to the patent or patents to be granted thereon,
including reissues thereof, if any, to the full end of the term or terms for which said patent or
patents may be granted; and

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, including patent applications filed under the Patent Cooperation Treaty, the European Patent Convention or any other international treaty, and including the right to claim priority of said United States application, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.
