**COMBINED WORLD-WIDE ASSIGNMENT AND U.S. DECLARATION FOR UTILITY (INVENTION)  
PATENT OR DESIGN PATENT (INDUSTRIAL DESIGN) APPLICATION**

As a below named inventor, I hereby declare that this declaration and assignment are directed to:

Title of Invention:	AIR NOZZLE DEVICE FOR A VEHICLE
---------------------	---------------------------------

Priority Application No.:	16188549.6
Filing Date:	September 13, 2016
Country or Region:	EP

and/or

U.S. or International (PCT) Application No.:	16/292,795
U.S. or International Filing Date:	March 05, 2019
Amended on (if applicable)	

or, if no application is identified above, the attached application.

**U.S. DECLARATION**

The above application was made or authorized to be made by me.

I believe that I am the original or an original joint inventor of a claimed invention in the application.

I have reviewed and understood the contents of the application, including the claims.

I hereby acknowledge that any willful false statement made in this declaration is punishable under Section 1001 of Title 18 of the United States Code by fine or imprisonment of not more than five years, or both.

**GLOBAL ASSIGNMENT**

For good and valuable consideration, receipt of which is hereby acknowledged, I have sold and assigned and hereby sell and assign to:

Assignee(s)	Address
Ningbo Geely Automobile Research & Development Co., Ltd.	No. 818, Binhai 2nd Road, Hangzhou Bay New District, Ningbo, CHINA 315336

and the successors and assigns thereof; the entire right, title and interest to (i) said invention, (ii) said application(s), (iii) any and all provisional applications on which priority is claimed, any and all related applications, including continuations, continuations-in-part, divisionals, renewals, conversions, substitutes, reexaminations, reissues, convention, international (PCT), industrial designs and other applications based in whole or in part upon said invention or upon said application(s), (iv) any and all patents, including renewals, reissues, certificates of reexamination and extensions thereof granted for said invention or upon

said application(s), for the full term or terms for which the same may be granted, and (v) all priority rights that are or may be predicated upon or arise from said invention, said application(s) and said patent(s).

If the application number and filing date are not set forth above, authorization is hereby given for any attorney of record in the subject patent application to insert the application number and filing date information for this application in the spaces below when that information becomes available.

Application No.:	16/292,795
Filing Date:	March 05, 2019

I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with this assignment and sale.

I authorize said Assignee(s) to file in my own name or in its own name applications for patent in any country that are predicated upon or arise from said invention, said applications and said patents.

I appoint said Assignee(s) as my common representative to represent me before all competent International authorities in connection with any international application predicated upon or arising from said invention, said applications and said patents.

I further covenant that Assignee(s) will, upon request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent as may be known and accessible to me and will testify as to the same in any proceeding related thereto and will promptly execute and deliver to Assignee(s), or the legal representative thereof, any and all papers, instruments or affidavits required to apply for, obtain, maintain and enforce said application, said invention and said Letters Patent which may be necessary or desirable to carry out the purposes hereof.

I agree to perform all affirmative acts which may be necessary to obtain a grant of valid patents to the Assignee(s) and to vest all rights hereby conveyed to the Assignee(s) as fully and entirely as the same would have been held by me if this Assignment had not been made.

I agree that this assignment shall be construed in accordance with the law of the state/country in which the above-listed Assignee is located as above indicated, and without regard to its conflicts of laws provisions.
