ASSIGNMENT

WHEREAS, I, Ted Dekker, residing at 1848 Belmont Drive, Norton Shores, MI, 49441; Cory Sackett, residing at 14800 172nd Avenue, Grand Haven, MI 49417; and Peter Bombara, 296 W. 18th Street, Holland, MI 49423, (hereinafter referred to as Assignors), have invented certain new and useful improvements in a **CEILING PANEL SYSTEM WITH WIRELESS CONTROL OF CONNECTED LIGHTING MODULES**, for which a non-provisional application was filed on March 1, 2021 and assigned application Serial No. 17/188,452.

WHEREAS, Light Corp Inc., a corporation of the State of Michigan, having a place of business at 14800 172nd Avenue, Grand Haven, MI 49417 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable considerations, Assignors hereby sell, assign and transfer unto said Assignee the full and exclusive right, title and interest to said invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof including the full right to claim for any such applications the benefits of the International Convention, and including the right to obtain a reasonable royalty pursuant to 35 U.S.C. § 154(d) upon publication of any such United States applications.

Assignors hereby authorize and request the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and behoof of said Assignee, its successors and assigns.

FURTHER, Assignors agree to communicate to said Assignee or its representatives any facts known to Assignors respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.
