EP 17157947.7	February 24, 2017	MINERAL OIL BARRIER

WHEREAS, Omya International AG, a corporation of Switzerland, whose mailing address is Baslerstrasse 42, 4665 Oftringen, Switzerland (hereinafter referred to as ASSIGNEE), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to all applications for patents on this invention in all countries throughout the world, including any PCT International Application and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from ASSIGNEE is hereby acknowledged, I/We, as ASSIGNOR(S), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the ASSIGNEE, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention and improvements thereof, the above-referenced applications that disclose and claim this invention, any PCT International Application and all national stage applications based thereon that may be filed, any other applications for patents filed anywhere in the world that claim this invention, and all divisions, continuations, and continuations-in-part of any such application, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of any such applications, and all extensions, renewals, and reissues thereof; and I/We hereby authorize and request any official of any country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to ASSIGNEE, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE further covenant and agree that I/We will, without further consideration, communicate with ASSIGNEE, its successors and assigns, any facts known to me/us respecting

this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said ASSIGNEE, its successors and assigns, execute all divisions, continuations, continuations-in-part, and reissue applications, make all rightful oaths and generally do everything possible to aid ASSIGNEE, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the ASSIGNEE, its successors and assigns.

AND, I/WE authorize and request a patent practitioner of record in this application, to insert and/or correct the filing date, country of filing, and application number of the above-referenced application(s), as applicable.

IN WITNESS WHEREOF, each ASSIGNOR has caused this Assignment to be executed as a deed, as of the date written below.
