ASSIGNMENT

WHEREAS, WE,

Wallace Levi Coleman of 910 Gilpin Avenue, Wilmington, Delaware 19806, and
Charles Homer of 212 Moorland Way, Lawrenceville, Georgia 30043;

(the "Undersigned"), having made an invention entitled *Virtual Sound Engineer System and Method* for which the patent applications listed in the attached Exhibit were filed (the "Invention").

WHEREAS, Virtual Sound Engineer, LLC, a limited liability company, with offices at 910 Gilpin Avenue, Wilmington, Delaware 19806, (the "Assignee"), is desirous of acquiring the entire right, title and interest in the Invention, and all letters patent issuing for the Invention,

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Undersigned, intending to be legally bound, do hereby sell, assign and transfer to the Assignee the entire right, title and interest, for the United States of America, its territories and possessions, and for all foreign countries, in said Invention, including the patent applications listed in the Exhibit, , all divisions, continuations and continuations-in-part thereof, all rights to claim priority based thereon, all patent applications and patents claiming priority thereto, all rights to file foreign applications on the Invention, and all rights to such foreign applications, and all letters patent and reissues thereof, issuing for the Invention in the United States of America and in any and all foreign countries.

It is agreed that the Undersigned shall be legally bound, upon request of the Assignee, or its successors or assigns or a legal representative thereof, to supply all information and evidence of which the Undersigned have knowledge or possession, relating to the making and practice of the Invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the Invention in the United States of America and foreign countries in the name of the Assignee, and to execute all instruments proper to carry out the intent of this instrument. These obligations shall apply to all of the Undersigned both individually and collectively.

The rights and property herein conveyed by the Undersigned are free and clear of any encumbrance.

This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
