I, Karim Rashid, am a U.S. Citizen and as the named inventor, I declare that this declaration and assignment is directed to the above referenced United States patent applications, any patents that shall issue therefrom and any continuation applications that may be filed at a later date.

Whereas The Norix Group, Inc. of 1800 W. Hawthorne Ave., Suite N, West Chicago, IL 60185 desires to acquire the entire right, title and interest in my inventions, including the right to enforce the patents against others for past and present infringement.

In consideration of good and valuable considerations, the receipt of which is hereby acknowledged, I hereby assign to:

The Norix Group, Inc.  
1800 W. Hawthorne Ave.,

21668\_277

1cf3

Suite N,  
West Chicago, IL 60185

hereinafter referred to as ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in my inventions as described and claimed in the above referenced US patents and patent applications and in any Letters Patent that may be granted upon these or reissue, extension, division or continuation therefrom. I hereby also assign the right to enforce the above referenced patents including the right to bring enforcement proceedings seeking injunctive and monetary relief, in a court of proper jurisdiction, for past and present infringement activities. I hereby authorize and request the Commissioner of Patents and Trademarks to issue said forthcoming Letters Patent to said ASSIGNEE.

For said considerations, I hereby agree, upon the request of said ASSIGNEE, its successors, legal representatives and assigns, to execute any and all divisional, continuation and renewal applications for said invention, and any necessary oath or supplemental oath or affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon any of said applications, that said ASSIGNEE, its successors, legal representatives or assigns, may deem necessary or expedient; and for the said considerations, I further agree, upon the request of said ASSIGNEE, its successors, legal representatives or assigns, in the event that any such application or Letters Patent becomes involved in Interference, to cooperate to the best of my ability with said ASSIGNEE, its successors, legal representatives or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and I hereby agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein in said ASSIGNEE, its successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment had not been made.

And for the said considerations, I hereby assign to said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in said invention for any and all foreign countries and agree upon the request of said ASSIGNEE, its successors, legal representatives and assigns, to execute any and all documents that shall be required of me to be executed in connection with any and all applications for foreign Letters Patent therefore, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said ASSIGNEE.

I believe that I am the original inventor of the subject matter which is claimed. I have reviewed and understand the contents of the above-identified patent applications, including the claims. The applications were made or authorized to be made by me. I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR 1.56. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
