ASSIGNMENT

The undersigned persons are joint inventors being named in a United States Design Patent Application titled Pet Chew Toy, which includes a description of our invention.

NOW THEREFORE, pursuant to my obligations to the Assignee, I hereby make the following assignment:

To **Benebone LLC**, a Limited Liability Company organized under the laws of the State of Connecticut, having a business address of 17 Sandhopper Trail, Westport, CT 06880, and its successors and assigns, I hereby:

1) assign, transfer, and set over the full and exclusive right to the above-described invention and to the above-described patent application and any patent application claiming the benefit of this patent application as well as any substitute, continuation, continuation-in-part, or divisional application filed thereon, to any application for letters patent that claims priority from the above-described application, and to any letters patent that issues from such application(s) as well as any reissue application or request for reexamination filed on such letters patent;

2) covenant and agree for myself and my legal representative(s) to
a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of said application for patent, in any interference declared on said application for patent or patent issuing therefrom, or in litigation which arises out of or is based on said application for patent or patent issuing therefrom, and

b) execute all papers related to said application for patent which said assignee or its designee(s) request to be signed, provided that expenses relating thereto shall be borne by said assignee; and

3) authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-described invention in the name of said assignee.

IN WITNESS WHEREOF, I have executed this document on the date next to my name.
