PATENT ASSIGNMENT AGREEMENT

This PATENT ASSIGNMENT AGREEMENT ("**Patent Assignment**"), dated as of February 23, 2018, is made by Endura IP Holdings Ltd., an exempt Cayman limited company, organized and existing under and by the virtue of the laws of Cayman Islands ("**Assignor**"), located at c/o Genesis Trust And Corporate Services Ltd., 2nd Floor, Midtown Plaza, Elgin Avenue, George Town KY1-1106, Cayman Islands, in favor of Endurtech (Hong Kong) Limited, a Hong Kong limited company ("**Assignee**"), located at c/o Endura Technologies LLC, 7310 Miramar Rd., San Diego, CA 92126.

WHEREAS, Assignor desires to convey, transfer, and assign to Assignee, certain intellectual property of Assignor;

NOW THEREFORE, the parties agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, except as otherwise set forth on Exhibit A hereto, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the following:

(a) the patents and patent applications set forth in Schedule I hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof (the "**Assigned Patents**");

(b) all discoveries, designs, developments, improvements, inventions (whether or not protectable under patent laws), works of authorship, information fixed in any tangible medium of expression (whether or not protectable under copyright laws), trade secrets, know-how, ideas (whether or not protectable under trade secret laws), mask works, trademarks, service marks, trade names and trade dress related to the Assigned Patents;

(c) all rights of any kind whatsoever of Assignor accruing under or based on the filing of any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(d) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(e) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions by Assignor. Assignor hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and the officials of

corresponding entities or agencies in any applicable jurisdictions to record and register this Patent Assignment upon request by Assignee.

3. Re-Assignment. In the event Jiangsu Sunshine Holding Group Limited ("JSHGL") fails to make a required payment pursuant to Section 6.1(b)(ii) of that certain Joint Venture Contract dated December 2017 between JSHGL and Assignee, all property, including without limitation the Assigned Patents, assigned by Assignor to Assignee pursuant to Section 1 of this Patent Assignment, shall automatically, without further action, be re-assigned by Assignee back to Assignor (the "**Re-Assignment**"). In such event, Assignee hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Patent Assignment upon request by Assignor.

4. Further Assurances. Each party, on receipt of notice from the other party, shall sign, or cause to be signed, all further documents, do, or cause to be done, all further acts, and provide all assurances as may reasonably be necessary or desirable to give effect to the terms of this Patent Assignment, including, without limitations, the assignments in Section 1 hereof and the Re-Assignment, if any.

5. Counterparts. This Patent Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Patent Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Patent Assignment.

6. Successors and Assigns. This Patent Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Assignor has duly executed and delivered this Patent Assignment as of the date first above written.

ENDURA IP HOLDINGS LTD.,
an exempt Cayman limited company,
organized and existing under and by the virtue
of the laws of Cayman Islands

By: [Signature]
Name: Taner Dostuoglu
Title: Director
Address for Notices: c/o Genesis Trust And
Corporate Services Ltd.
2nd Floor
Midtown Plaza
Elgin Avenue
George Town KY1-1106
Cayman Islands

STATE OF CALIFORNIA)
)SS.
COUNTY OF SAN DIEGO)

On February 23, 2018, before me, Carla Diane Golden NOTARY PUBLIC,
personally appeared Taner Dostuoglu, who proved to me on the
basis of satisfactory evidence to be the person(s) whose name(s) is/are subscribed to the within
instrument and acknowledged to me that he/she/they executed the same in his/her/their
authorized capacity(ies), and that by his/her/their signature(s) on the instrument the person(s), or
the entity upon behalf of which the person(s) acted, executed the instrument.

*I certify under PENALTY OF PERJURY under the laws of the State of California that the
foregoing paragraph is true and correct.*

WITNESS my hand and official seal.

Signature [Signature] (Seal)
My Commission Expires October 22, 2021

AGREED TO AND ACCEPTED:

ENDURTECH (HONG KONG) LIMITED,
A Hong Kong limited company

By: 
Name: Massih Tayebi
Title: Director
Address for Notices: c/o Endura Technologies
LLC, San Diego, CA 92126

STATE OF CALIFORNIA)
)SS.
COUNTY OF SAN DIEGO)

On February 23, 2018, before me, Carla Diane Colden NOTARY PUBLIC,
personally appeared Massih Tayebi, who proved to me on the
basis of satisfactory evidence to be the person(s) whose name(s) is/are subscribed to the within
instrument and acknowledged to me that he/she/they executed the same in his/her/their
authorized capacity(ies), and that by his/her/their signature(s) on the instrument the person(s), or
the entity upon behalf of which the person(s) acted, executed the instrument.

*I certify under PENALTY OF PERJURY under the laws of the State of California that the
foregoing paragraph is true and correct.*

WITNESS my hand and official seal.
