In consideration of one dollar and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned inventor, or each inventor if more than one, hereby assigns to JCW INVESTMENTS, INC., d/b/a TEKKY and TEKKY TOYS, having a principal place of business at 11415 W. 183rd Pl, Ste. E, Orland Park, IL 60467, its successors and assigns (hereinafter called "said assignee"), the entire right, title and interest in the invention or improvements (hereinafter called "said invention") of the undersigned disclosed in an application for Letters Patent of the United States, entitled: UNFOLDING SPRINGING AMUSEMENT APPARATUS, executed by the undersigned on the 16 day of April, and in said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to said assignee.

The undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assignment the date and Application number of said application.

For said consideration, the undersigned hereby agrees, upon the request and at the expense of said assignee, to execute any oath, declaration or affidavit relating to any divisional, continuation, continuation-in-part, or other continuing application or substitute application for said invention or improvements, and to any application for the reissue or extension of any Letters Patent that may be granted upon any of said applications, and, in the event of any application or Letters Patent assigned herein becoming involved in a derivation proceeding, to cooperate to the best of the ability of the undersigned in matters of preparing and executing a statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
