# Assignment

WHEREAS,

**Gifford Salisbury, Jr.**

has made an invention described in a patent application entitled:

## CONFECTION

Docket Number: **HKT0517**

Application Number: 29/696,508 Filed: June 28, 2019

in the United States Patent and Trademark Office as a U.S. design patent application;

WHEREAS, **Mars, Incorporated** (hereinafter referred to as "**Mars**"), a corporation duly organized and existing under the laws of the State of Delaware, U.S.A., and having a principal office and place of business at 6885 Elm Street, McLean, Virginia, 22101-3883, U.S.A., desires to record a specific assignment to the entire right, title, and interest in and to the above-identified invention or inventions, and in and to any Letters Patent therefore in the United States of America and countries foreign thereto;

NOW THEREFORE, in consideration of One U.S. Dollar (US\$1.00) and other good and valuable consideration by me received, the receipt of which is hereby acknowledged, the undersigned inventor has sold and assigned, and hereby does sell and assign, to **Mars** its successors and assigns, the entire right, title, and interest (a) in the above-identified invention or inventions and all improvements and modifications thereof, (b) in the above-identified application, all provisional and non-provisional applications for patent upon which the above-identified application claims benefit or is claimed by such application, and all other applications for patent of the United States of America and countries foreign thereto for the above-identified invention or inventions and all improvements and modifications thereof, (c) in all Letters Patent which may issue from said applications in the United States of America and countries foreign thereto, and (d) in all divisions, reissues, continuations, continuation-in-parts, conversions, and extensions of said applications and Letters Patent; and the undersigned inventor hereby authorizes and requests the U.S. Commissioner of Patents and Trademarks to issue all United States Letters Patent on such invention or inventions included herein to **Mars** as assignee of the entire interest.

The undersigned inventor further agrees to communicate to **Mars**, its successors and assigns, or their representatives or agents all facts and information known or available to the undersigned inventor relating to said invention or inventions, improvements and modifications including evidence for interference, reexamination, reissue, opposition, revocation, conversion, extension, or infringement purposes or other legal, judicial, or administrative proceedings, whenever requested. The undersigned inventor agrees to execute and deliver, on request, all lawful papers including, but not limited to, original, provisional, non-provisional, divisional, continuation, continuation-in-parts, substitute, and reissue applications, renewals, assignments, powers of attorney, oaths, affidavits, declarations, and depositions. The undersigned inventor also agrees, subject to reimbursement by **Mars** of reasonable costs incurred, to testify in person or by affidavit as required by **Mars**, its successors and assigns, in any such proceeding in the United States of America or a country foreign thereto and provide all reasonable assistance to **Mars** its successors and assigns, in obtaining and enforcing proper protection for said invention or inventions, improvements and modifications under the intellectual property laws of the United States of America and countries foreign thereto.
